Minutes of the 26^{th} Special Meeting of Faculty Board of Studies Engineering Sciences held on 10^{th} June, 2022 through Video Conferencing

Attendance:

	BUIC	
Prof. Dr. Atif Raza Jafri	Dean ES	Chair
Snr. Assoc Prof. Dr. Said Akbar Khan	HoD(E&ES)	Member
Snr. Assoc. Prof. Dr. Arif ur Rehman	HoD(CS)	Member
Snr. Assoc. Prof. Dr. Awais Majeed	HoD(SE)	Member
Assoc. Prof. Dr. Shahzad Ahmed	HoD(CE)	Member
Snr. Asst. Prof. Dr. Junaid Imtiaz	HoD(EE)	Member
	BUKC	
Snr. Assoc. Prof. Dr. Sohaib	Associate Dean	Member
Snr. Asst. Prof. Dr. Najam M. Amin	HoD(EE)	Member
Assoc. Prof. Dr. Salma Hamza	HoD(E&ES)	Member
Assoc. Prof. Dr. Syed Safdar Ali	HoD(CS)	Member
Snr. Asst. Prof. Dr. Shoaib Mughal	HoD(CE)	Member
Snr. Asst. Prof. Dr. Osama Rehman	HoD(SE)	Member
	DI II C	
	BULC	
Snr. Asst. Prof. Dr. Khawaja Qasim Maqbool	HOD(CS)	Member

Proceedings

Preliminaries

FBoS-ES meeting took place on 10^{th} June, 2022, with the quorum complete, the proceedings commenced at 1030 hrs, with recitation from the Holy Quran.

In his opening remarks, the Chair stressed the importance for participation in the proceedings while staying focused on the point under deliberation.

Item 2601: Redefining KPI for PLO

Sponsor: HOD (EE) BUKC Referral Authority: DBOS EE BUKC

Summary of the case:

i. The policy for clearing/passing of PLO in order to attain Graduate Status for Engineering Department mentioned in 21st FBoS – Item 2107:

In order to clear a PLO, 60% of CLOs related to that PLO should be cleared.

- ii. On OBE portal the calculation of PLO-KPI uses the number of CLO counts for percentage calculation.
- iii. It was highlighted in PEC evaluation report that the KPI calculation for PLO, which in most cases is more than 90% needs to be well defined and in accordance with PEC guidelines mentioned in the Manual of Accreditation 2019.

Discussion

The sponsor presented and iterated the case. Detailed analysis was presented as attached in appendage 2601. After the discussion and analysis, the house agreed that the normal average method to calculate the PLO KPI will be implemented with effect from fall 2020 intake batch. In addition same calculation will be incorporated in OBE portal for different batches.

Decision

Point approved

Item 2602: Revision of Alumni and Employer Forms

Sponsor: HOD (EE) BUKC Referral Authority: DBOS EE BUKC

Summary of the Case

• As per PEC's observation during recent accreditation visit, the alumni and employer survey forms of electrical engineering department need improvement. The PEVs showed their concern by the following observation:

"Alumni and employer survey needs improvement. Four questions are basically the statements of PEOs in both surveys."

The point was taken into the DBOS where the revised alumni and employer forms were approved to address the concern and furthermore forwarded to Faculty board of studies for deliberation.

Discussion

The sponsor presented the agenda point which was deliberated by house in length. Departmental quality assurance head (BUKC-EE) explained the updated alumni and employer survey forms for electrical engineering program (BUKC).

Decision

Revised forms attached at appendage 2602 & 2602b approved.

Item 2603: Institutionalization of CQI Process

Sponsor: HOD (EE) BUKC Referral Authority: DBOS EE BUKC

Summary of the Case

- CQI process is defined and well implemented at different levels. However, it is required to devise a policy to regulate the process in consistent with the CGPA requirement for a degree qualification. In order to align both PLO attainment and CGPA requirements.
- With this policy student CQI process will be institutionalized and the transcript issuance procedure will be in compliance with the CQI process implementation.

Discussion

- It was discussed that Transcript issuance form should be revised. Currently there are no departmental restrictions on a student for issuance of final transcript. Therefore, inclusion of HoD's signatures on the transcript issuance form, which is related to verification through OBE portal that "all 12 PLOs of a student have passed", must be present. Existing and revised transcript issuance forms are attached as appendage 2603a & 2603b.
- In addition, Final Transcript should also be revised with inclusion of statement "All 12 PLOs of this student have been cleared".

Decision

Since this matter effects all the engineering programs across all the campuses therefore the chair has decided to further deliberate this item in the next FBOS.

Closing of the Meeting

There being no further points, the Chair brought the meeting to close, thanking the participants for their wholehearted participation in both sessions.

Prof. Dr Atif Raza Jafri Dean (ES), Head FBoS 10th June, 2022

Quality Assurance Directorate Bahria University Alumni Survey Form – OBE

Appendage 2602

Department of Electrical Engineering – BUKC

Dear BU Alumni

We are glad that you have spent your 4 valuable years of Bachelor in Electrical Engineering at Electrical Engineering Department, Bahria University. You will be pleased to know that your alma mater has, in a short period of time, grown to be one of the leading and sought-after universities. We would like to place on record that your co-operation and support has continued in no small measure towards this achievement. To maintain and enhance higher teaching and research practices at Bahria University, the department of Electrical Engineering has enlisted few program Educational Objectives (PEOs) inline to the Washington Accord's consortium as listed below:

PEO 1	To exhibit the expertise in the field of electrical engineering to compete with technical challenges and find the solutions of complex engineering problems.
PEO 2	To be skillful employable graduates in different domains of design, development, operation and maintenance, as well as explore opportunities for entrepreneurship.
PEO 3	To pursue professional growth by taking up higher studies, ascertain technologies, develop proficiency in the usage of new tools.
PEO 4	To work in multicultural environment and communities, providing leadership in their domain, and responsive to ethical, moral, and societal issues.

We shall very much appreciate and be thankful if you can spare some of your valuable time to fill up this feedback form and give us your valuable suggestions for further improvement of this quality enhancement process.

Alumni Profile

Professional Competency PEO 1
Have you presented your work at any technical forum such as conference, journal, symposium, technical competitions? [KII]
(a) Yes Name of Forum (b) No
If Yes, please answer the following:
a. You can identify and analyze the engineering problems occur during your professional practices. [KII]
Strongly agree Neutral Disagree Strongly disagree
b. You can systematically investigate and solve the industrial/research problems with the help of standard engineering methods. [KII]
Strongly agree Neutral Disagree Strongly disagree
Employment Assessment PEO 2
1. Status of your employment [KII] Employed in EE Field Self Employed Employed in nonEE field Unemployed Time to get employed after graduation Less than 3 months 3 – 6 months 6 – 12 months More than a year Name of your organization: Designation:
If Self-employed / Employed in non-EE Field, please answer following:
a. You often contribute in design and development of product(s) and related operations. [KII]
Strongly agree
b. You often manage technical projects during your employment [KII]
Strongly agree Neutral Disagree Strongly disagree
Professional Growth PEO 3
1. Have you secured admission in a post graduate program to enhance your qualification? [KI]
(a) Yes (b) No If Yes, select MS/MSc Ph.D
University Name / Institute:

1.	1. Have you learnt the usage of any new tools beneficial for your career growth? [KI, KII]				
	(a) Yes (b) No If Yes, give detail				
2.	2. You understand the importance of continuous professional development activities to keep updating your knowledge with current industry trends. [KII]				
S	Strongly agree Neutral Disagree Strongly disagree				
3.	3. Have you attended any professional development course after graduation? [KII]				
	(a) Yes (b) No If Yes, give detail				
R	emarks / Suggestions				
Any remarks/suggestions:					
Sig	gnature of Alumni Date

Department of Electrical Engineering – BUKC

Dear Sir/Madam,

To maintain and enhance higher teaching and research practices at Bahria University, the department of Electrical Engineering has enlisted few Program Educational Objectives (PEOs).

PEO 1	To exhibit the expertise in the field of electrical engineering to compete with technical challenges and find the solutions of complex engineering problems.
PEO 2	To be skillful employable graduates in different domains of design, development, operation and maintenance, as well as explore opportunities for entrepreneurship.
PEO 3	To pursue professional growth by taking up higher studies, ascertain technologies, develop proficiency in the usage of new tools.
PEO 4	To work in multicultural environment and communities, providing leadership in their domain, and responsive to ethical, moral, and societal issues.

We shall very much appreciate and be thankful if you can spare some of your valuable time to fill up this feedback form and give us your valuable suggestions for further improvement of this quality enhancement process.

We shall be thankful if you can spare some of your valuable time to fill up this feedback form and give us your valuable suggestions for further improvement of this quality enhancement process.

Company Name: _______ Category (Gov/Priv): _____ Location/Address: _____ Number of Employees (Optional): ______ Contact: _____

B. How many graduates have you hired from this department in the past four years?

A. Company Profile

Professional Competency PEO 1						
1. The graduate can conveniently apply the electrical engineering knowledge in the job. [K1]						
Strongly agree						
2. The graduate can identify and analyze the engineering problems occur during their professional practices. [K1]						
Strongly agree Neutral Disagree Strongly disagree						
3. The graduate can systematically investigate and solve the intricate electrical engineering problems with the help of standard engineering methods. [KI]						
Strongly agree Neutral Disagree Strongly disagree						
Employment Assessment PEO 2
