Item 2713: 8th Year Extension of PhD Scholar Mr. Rana Saeed Ahmad (02-281181-001)

Sponsor: HoD EE BUKC

Referral Authority: DRC

Summary of the Case:

70. The case for the 8th-year extension of PhD Scholar Mr. Rana Saeed (02-281181-001) was presented in the 25th FRC. Members expressed dissatisfaction with the progress demonstrated by the scholar and decided to convene a GEC meeting to assess the scholar's overall performance.

S. No	Scholar Name (Enrollment)	Program (Department)	Supervisor (Co-supervisor)	Research Title
1.	Mr. Rana Saeed Ahmed (02-281181-001)	PhD EE (EE, BUKC)	Prof. Dr. Haroon Rasheed	Modelling and Control of Distribution Units of a Microgrid

71. The findings of the GEC meeting, held on January 14, 2025, were presented in the 26th FRC. The GEC raised concerns regarding the scholar's research progress, noting that the objectives remained outdated, there was a lack of sufficient detail on research principles, the research quality was considered elementary and unsuitable for publication in X-category journals. Moreover, the thesis title was misaligned with the actual research work.
72. The FRC directed the department to submit comprehensive recommendations from the DRC on the matter.

Discussion:

73. The DRC recommended cancellation of the PhD candidacy, noting that the 8th-year extension requires Rector's approval and is subject to fulfilling publication requirements and submitting the thesis for foreign evaluation, as stipulated in BU's Rulebook (2017, pages 18–19, item 17.2). The scholar had not met either of these requirements.
74. Regarding the scholar's request for an extension under the provision of force majeure, the DRC concluded that the circumstances did not qualify under this provision.
75. The supervisor (Dr. Haroon) reported that the scholar had updated the thesis draft as per the GEC's suggestions; however, the submitted draft did not comply with BU formatting guidelines. He also informed that the scholar had submitted his research paper. The Supervisor is confident that the scholar can achieve significant progress provided if has been granted 8th year extension.
76. The Director PGP inquired about the status of the QPRs. Dr. Abdul Attayyab Khan (HoD EE, BUKC) informed the house that the scholar currently has two unsatisfactory progress reports. But his third QPR has not been uploaded as it was not available of TTM.
77. Dr. Haroon further informed that two QPRs for Spring 2025 were not available on the TTM and that the scholar was not registered in Spring 2025.
78. The Director PGP advised the HoD EE, BUKC, to update the missing QPRs and instructed the supervisor to submit the progress reports.
79. The Chair FRC also highlighted that cancellation of candidacy can be recommended by the FRC if three unsatisfactory progress reports are recorded. In case of satisfactory progress, the case for 8th year extension should be forwarded to PGP Directorate for seeking approval, so that the scholar can appear in Pre-External Evaluation Defence. HoD EE BUKC was requested to make sure that missing reports are submitted at the earliest.
80. Later, HoD EE BUKC has informed that the third QPR has been received and its satisfactory.
