Proceedings

Preliminaries

RAC meeting took place on 10th Dec 2024, the proceedings commenced at 1400 hours, with recitation of the Holy Quran.

In his opening remarks, the Chair stressed the importance for participation in the proceedings while staying focused on the point under deliberation.

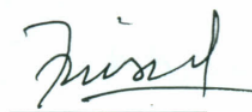

Item no. 0501: Relevance of Faculty Member for the MS Artificial Intelligence Program of CS Dept BULC

1. The agenda was presented by the PGP Coordinator on behalf of HoD CS BULC. It was informed that CS Dept BULC intends to launch the MS Artificial Intelligence program. Therefore, relevancy of FMs with respect to degree program is required to obtain NOC from HEC.
2. The Department has already acquired relevancy of two FMs in the 4th RAC meeting. However, QA Dept BUHO has raised objection that one of FM's (Dr Iram Noreen) name was previously forwarded to HEC for the obtaining NOC from HEC for the PhD CS program of CS Dept BULC.
3. Therefore, the profile of Dr Hajra Masood was presented by the Department for obtaining RAC's recommendation.
4. **RAC Decision 0501:** RAC finds the following PhD Faculty Member of CS Dept BULC relevant to the proposed MS Artificial Intelligence Program.

Sr No	Name	Designation	Research Domain
1	Dr. Hajra Masood	Assistant Professor	Visual Surveillance, Gait Recognition, Biometric Identification, Computer Vision, Pattern Recognition,

Closing of the Meeting

There being no further points, the Chair brought the meeting to a close, thanking the participants for their wholehearted participation, especially the external Members of the Committee.
