Proceedings

1. The proceedings commenced at 1000 hrs on 18 August 2025 with recitation of few verses from the Holy Quran and Darood Shareef ﷺ.
2. The Honorable Rector/Chairperson HERC in his opening remarks welcomed all the members of HERC from HO, IC, KC, LC, BUHSC-K and BUHSC-I.

Confirmation of the Minutes of 33rd HERCM held on 11-12 June 2024

3. Minutes of 33rd HERCM held on 11-12 June 2024, were communicated to all members and non-member participants. Minor comments/observations received were duly incorporated in the finalized MoM and subsequently approved by the Honorable Rector for further dissemination and compliance.

Decision:

4. The minutes of the 33rd HERCM were confirmed by the committee. *Point Dropped.*

Review Items (14)

Item No. 3008: Approval of Adding New Names in the List of Foreign & Local External Examiners

Decision 33 (3008):

5. A separate presentation to be arranged by Director PGP to the Honorable Rector on subject agenda item [**Action By:** Director PGP].

Progress Reported:

6. Director PGP informed that a presentation on the Revision of Honorarium Rates for PhD and MS/MPhil/Equivalent Programs was arranged by the Dte of PGP on 7 November 2024. The Honorable Rector approved the revised rates. Subsequently, Director HR issued a letter No. BU-HO/DHR/L/2024/11027 dated 12 December 2024 detailing the revised rates. The new rates have been implemented from FY 2025–2026.

Decision 34 (3008):

7. Needful has been done. *Point Dropped.*

Item No. 3101: Progress Review of Funded Research Projects

Decision 33 (3101):

8. Following decisions were undertaken by the HERC:
 - a. Honorable Rector desired from Director (TD) to expediate the process of patents approval (**Project: i – iii**). *Progress to be Reported* [**Action By:** Director TD].
 - b. The PI of the Project (Dr. Attayab Khan) to prepare the lab modules for the relevant courses. The same to be incorporated into the academic curricula and offered to the industry as well (**Project: iv**). *Progress to be Reported* [**Action By:** Dr. Attayab Khan (PI)].
 - c. The Honorable Rector desired from PI (Dr. Saima Majeed) of the Project titled “Methodology development for testing of SARS-CoV-2, COVID-19 infection by 2-Genes (ORF1 ab and E) for the enhancement of seafood export from Pakistan” to explore any possible utilization of the project in academia, industry, or internationally (**Project: v**). *Progress to be Reported* [**Action By:** Dr. Saima Majeed (PI)].
9. The list of the projects is as follows:

S. No.	Project Title
i	Development of Memory Boost Nutraceutical from Indigenous Marine Sources of Algae Plants and Coral Reefs.
ii	Effect of Naturally Isolated Bioactive Compounds as Anticorrosive and Antifouling agents for its use in Shipping Industry: A Novel Approach to Identify and Prevent Marine Biofouling.
iii	Marine Bioprospecting of Novel Bioactive Compounds from Medicinally Important Unexplored Species for Drug Discovery.
iv	Cable Driven Parallel Robot Workbench.

v	Methodology development for testing of SARS-CoV-2, COVID-19 infection by 2-Genes (ORF1 ab and E) for the enhancement of seafood export from Pakistan.
---	---

Progress Reported:

10. Following progress was reported against each decision point by the relevant offices:

Decision Points	Progress
a. Honorable Rector desired from Director (TD) to expediate the process of patents approval (Project: i – iii).	Director TD submitted the updated Progress on 1 August 2025, as follows: • Progress of Project at S. No. (i): IPO Application #: 314/2023 Status: Patent Accepted Letter Issued by IPO on 29th July, 2025. Patent certificate will be granted after 5 months condition to no opposition faced and patent sealing fee applied by applicant. • Progress of Project at S. No. (ii): IPO Application #: 417/2023 Status: Dr. Mehreen Latif informed that application will be prepared for re-submission as it was rejected by IPO due to lack of novelty after its initial submission. • Progress of Project at S. No. (iii): No Patent was filed against the said project as the novelty was not established. However, Another Patent titled "Antiviral immune energizer: Unique Nutraceutical Formulation to Treat and Manage COVID-19" of Dr. Mehreen Latif has been approved. Patent Grant Certificate has also been issued by IPO on 8 August 2025.
b. The PI of the Project (Dr. Attayab Khan) to prepare the lab modules for the relevant courses. The same to be incorporated into the academic curricula and offered to the industry as well (Project: iv). <i>Progress to be Reported.</i>	• Director Academics-BUKC informed on 16 Dec 2025 and last updated by Dr. Attayab Khan (PI) on 1 Aug, 2025 that Dr. Attayab Khan has prepared Lab Module titled as "Theory and Applications of Parallel Robotics." The same has been approved by 20th DBoS dated 9 August 2024 and 37th FBoS dated 21 January 2025. • An elective course titled "Theory and Applications of Parallel Robot" with credit hours 3+1. The same is included in the roadmap which has been approved in 48th ACM held on 16 & 18 April 2025.

	• After running these modules for our students for two semesters and incorporating further improvements, will be offered to other institutions.
c. The Honorable Rector desired from PI (Dr. Saima Majeed) of the Project titled “Methodology development for testing of SARS-CoV-2, COVID-19 infection by 2-Genes (ORF1 ab and E) for the enhancement of seafood export from Pakistan” to explore any possible utilization of the project in academia, industry, or internationally (Project: v).	• The Director Academics-BUKC informed on 16 December 2024 that the project was initially awarded in 2021, during the early stages of the COVID-19 pandemic. At that time, food safety and virus detection were top priorities to ensure the continuity of exports and to build consumer confidence. Accordingly, a specialized testing methodology was developed to detect SARS-CoV-2 using two genes (ORF1 ab and E) in seafood and associated processing environments. • However, as the global impact of the pandemic has diminished and international regulatory bodies no longer mandate such testing, the demand for widespread application of this method has significantly declined. Consequently, the current utilization of the project in academic, industrial, or international contexts has been suspended. Nevertheless, the testing method will remain available for future commercial use as and when the need arises.

Discussion:

11. Dr. Mehreen Latif informed the house that the patent application for the project titled *“Effect of Naturally Isolated Bioactive Compounds as Anticorrosive and Antifouling Agents for Use in the Shipping Industry: A Novel Approach to Identify and Prevent Marine Biofouling”* was rejected by the Intellectual Property Organization (IPO) due to lack of novelty after its initial submission.
12. The Honorable Rector inquired why the novelty of the research had not been checked prior to submitting the patent application. He emphasized the need for a mechanism at the University level to assess the novelty of patents in order to avoid loss of time and effort.
13. The Director QA explained that patents are evaluated by external evaluators according to their own standards, and approval is not always guaranteed. He further stated that BU encourages faculty to file as many patent applications as possible, since a higher number of submissions ultimately increases the likelihood of acceptance and subsequent grant of the Patents.
14. The Pro-Rector (RIC) added that researchers usually identify research gaps at both national and international levels; however, gaps identified locally may not always exist internationally.

In this specific case, Dr. Mehreen Latif identified a local gap and filed the patent, but the IPO, through its broader international databases, found that similar findings already existed in international research. He further explained that an internal evaluation had already been conducted by the Technology Development Directorate, after which the IPO carried out its own independent assessment based on their parameters.

15. Director Technology Development apprised the house that two new patents have recently been granted by IPO. The chair appreciated the efforts made for the recently approved patents. However, he emphasized that patents filing process needs to be strengthened by introducing an efficient mechanism.

Decision 34 (3101)

16. The following decision were undertaken by the HERC:
 - a. IPRs filing process be strengthened by introducing an efficient mechanism if needed. *Progress to be Reported.*
 - b. Needful has been done. *Point Dropped.*
 - c. Needful has been done. *Point Dropped.*

Item No. 3201: Progress Review of Major KPIs of RIC

Decision 3201:

17. The corrective actions communicated to all concerned stakeholders to be implemented.
[Action By: Director QA/All Deans].

Progress Reported:

18. Director QA informed on 6 January 2025 that corrective action plans are duly approved by the Honorable Rector and communicated to all stakeholders for compliance. Progress on the corrective actions is monitored by the QA Directorate through compliance reports and follow-up audits.
19. Director PGP informed that on the directions of Pro-Rector (RIC), respective Principals/Directors will present the progress on corrective actions for their school/CU in the 34th HERCM. The instructions in this regard were issued to all concerned vide PGP Letter No. BU-HO/PGP/2024/L/1815 dated 8th November 2024. Subsequently, the time slot for the presentation on the progress of corrective action plan by each Principal/Director, has been allocated in 34th HERCM under the subject agenda item.

Discussion:

20. The Pro-Rector (RIC) proposed that the progress of KPIs related to the Strategic Management Plan (SMP), along with any corrective actions, should be presented in the relevant forums. He observed that currently these updates are presented separately in different sessions at both BUHO and campus levels. Director SMP and Director QA endorsed the proposal of the Pro-Rector (RIC).

Decision 34 (3201)

21. The Honorable Rector directed that respective Principals/Directors to present the progress on corrective actions pertaining to 'measures to strengthen BU Postgraduate Programs and enhance student enrollment' for their schools/CUs, in the SMP review forums. *Point Dropped.*

Action Required	Action By	Responsibility
Implementation of Decision	Principal of Schools/Director CUs	Director PGP Director SMP

Item No. 3203: RIC – Corrective Action Plan for Improvement of International Ranking

Decision 32 [3203(a)]:

22. The Policy to Encourage Foreign Research Collaboration approved in 32nd HERCM and it was decided that after SIX Months' time to assess the benefits acquired by BU. Benefits vis a vis the policy to be tabled in 34th HERC Meeting [**Action By:** Director ORIC].

Decision 33 (3203):

23. The following decisions were undertaken by the HERC:
- The schools/CUs must have their own research implementation and execution plans at department and school level derived from the BU strategic plan [**Action By:** All Principals of Schools/Director CU].
 - The Honorable Rector directed to form a committee, headed by the Pro-Rector (RIC) comprising the Director QA and the Director SMP (along with any other relevant members), to review and revamp the SMP, making it more effective, responsive, and proactive. The committee is expected to present its findings and recommendations to the Honorable Rector [**Action By:** Pro-Rector (RIC), DQA, DSMP].
 - The other forums like newspapers may also be used to re-advertise the RTF position [**Action By:** Director HR].

Progress Reported:

24. In order to encourage BUFMs/approved Research Groups/CORE and to provide a formal policy to add foreign researchers in their respective domains in different research endeavours, "**Policy to Encourage Foreign Research Collaboration**" placed at [Appendage-I](#) was approved in 32nd HERCM held on 30-31 August, 2023 and implemented w.e.f. 22 September, 2023 after the approval of the MoM. The benefits and analysis of the subject policy was presented by Director ORIC before HERC.
25. CUs have submitted their own research implementation and execution plans in respective campuses/schools. Furthermore, Director SMP informed on 24 April 2025 that the following committee recommendations were approved by the Honorable Rector in a presentation held on 2nd Dec, 2024 to review and revamp the SMP, making it more effective, responsive, and proactive by the CUs in terms of its implementation:
- Approval of appointment of Dy. Director SMP at BUHO.
 - Approval of integration of SMP Portal with other online systems of BU.
 - Approval of quarterly review of progress at the campus level.

- iv. Approval of formation of Progress Review Committee at CU level headed by the DG/ Head of CU with Principals, Director Admin and Director Academics as its members and notification of the same by the Registrar.
 - v. Approval of formation of Progress Review Committee at School level to be headed by the Principal, with HODs as its members and notification of the same by the Registrar.
26. Director SMP informed that actions on the above decisions have been taken by the relevant officials/ departments.
 27. Director HR informed on 22 July 2024 that the positions of RTF has been re-advertised twice through newspapers and social media as well, however, no application received for the said positions. Therefore, under the guidance of Pro-Rector (RIC), the criteria to relax the Existing Policy of RTF has been reviewed with increase in salary for RTF, however, Dte of HR opined that the criteria could be relaxed but the salary package for the RTF should be the same.
 28. Director RIC again reviewed the criteria and revised policy was processed for the approval of the Honorable Rector on 9 July 2025. However, Dte of HR opined that Policy should be aligned with HEC and BU Faculty Appointment Policies. The policy is already aligned, and Dte of RIC processed the case file after necessary comments/justification to Dte of HR on 12 August 2025. Dte of HR supported the revised criteria and processed the case file further for the approval of the Honorable Rector on 12 August 2025. Once the approval is accorded, the policy will be implemented and will be ratified in 35th HERCM.

Discussion:

29. Director SMP informed that the mechanism to present the progress and review the SMP targets and making it more effective, responsive, and proactive by the CUs in terms of its implementation, has already been implemented by quarterly/bi-annual progress meetings both at CUs/BUHO level.
30. Director HR informed that last year HR has advertised the positions under RTF twice but no application was received and now the policy is under review process and Dte of HR commented on the case file that criteria for faulty career progression be made part of the policy.
31. The chair inquired that whether the revised induction criteria is a practical one and will it attract the potential applicants with the revised salary package.
32. Pro-Rector (RIC) apprised the house that currently the focus of the FMs is more towards academic research and they don't want to put efforts into acquiring research funding and patents as defined in RTF Policy. He further added that without providing the financial incentives, BU cannot motivate/attract BU/external researchers for applying to RTF positions. In addition, the requirement of research funding has already been decreased in the revised induction criteria.
33. Dean ES proposed that the induction criteria in terms of funding needs to be more realistic. Dean MS proposed that H-Index be part of the criteria. Director QA commented that the RTF was introduced with certain objectives; firstly to strengthen the BU research and secondly to provide the exclusive environment and to attract the research-focused FMs.
34. Director Academics and Director SMP suggested that the salary packages should be revised for the RTF as per the revised pay structure.

35. Pro-Rector (RIC) opined that the purpose of the RTF was to promote impact-based research, and that the selection criteria had been revised. He explained that this revised criterion distinguishes between teaching and research-track faculty. He further added that, based on discussions with the Pro-Rector-COMSATS and the Pro-Rector-NUST, suitable candidates may be identified through headhunting.
36. Director HR suggested that the minimum salary should be specified in the RTF salary package, and that a research allowance should also be included for this position.
37. The Honorable Rector inquired why the number of research publications and funded research projects with foreign authors had decreased over the past two years, despite the 20% additional cash incentive offered under the "*Policy to Encourage Foreign Research Collaboration*."
38. Pro-Rector (RIC) informed the house that BU has not been able to achieve the desired outcomes despite offering cash incentives under various policies. One possible reason could be the lack of interest among faculty members in applied research. Additionally, only about 10% of the total faculty is contributing to research output, which is also the case in other universities such as COMSATS and NUST.
39. Director QA opined that overall intake of the Postgraduate students have been decreased, however, BU has started the PhD Programs in emerging areas to attract postgraduate students. He added, the overall number of projects have been increased over the last two years and this policy may continue and it will have positive impact in the long run. Dean ES opined that the incentives mentioned in the policy is encouraging and engineering faculty is getting benefits from these incentives. Director Academics opined that two years is very short time to assess the policy outcome.
40. Pro-Rector (RIC) suggested that Director/DD Research-CUs to identify/engage mentors from the respective disciplines to guide the other researchers and encourage them for collaborative research.

Decision 34 [(3203(a))]:

41. The followings decisions were undertaken by HERC:
 - a. The "*Policy to Encourage Foreign Research Collaboration*" be continued with the current incentive. *Point Dropped.*
 - b. Director/DD Research-CUs to arrange the mentoring sessions at all schools/CUs to guide the other researchers and encourage them for collaborative research. *Progress to be Reported.*

Item No. 3209: Proposal on Induction of Fully Funded PhD Students at BU

Decision 3209:

43. The following decisions were undertaken by the HERC:

- a. The 'BU PhD Fellowship Program Policy' and 'BU Incentive Based PhD Program' are ratified by the HERC. The same be advertised for admission in Fall' 2024 [Action By: Director PGP].
- b. The same incentive offered to be used for marketing purposes by the concerned Dte [Action By: Director Admission, Director IT, Director Marketing].

Progress Reported:

44. Director PGP updated on 1 August 2025 that the policy was advertised for Fall' 2024 admissions. After the final interviews, no candidates met BU's requirements. The honorable Rector accorded the approval for the enrollment of the same in Fall' 2025 semester.
45. Subsequent to the approval by the Honorable Rector, the admission of Fall' 2025 semester is in process.

Item No. 3301: Progress Review of Major KPIs of Excellence in Research

Decision 3301

50. The following decisions were undertaken by the HERC:

- a. In principle, the restriction on the limit for claiming cash awards is removed. However, a separate presentation be arranged to comprehensively review all aspects of Cash Awards and Publication Fee Policies, considering the quality perspective of the papers [**Action By:** Director ORIC].
- b. A way forward be presented for efficiently and effectively entering the data by the CUs on SMP Portal [**Action By:** Director SMP].
- c. Director IPP to present the progress of KPIs on Research Excellence of IPP during the next visit of the Honorable Rector to BUKC [**Action By:** Director IPP].
- d. The target of KPI (Cumulative Impact Factor) be revised to increase the target for SMP [**Action By:** Director ORIC].
- e. Director SMP is to discuss with Pro-Rector (RIC) and inform the Honorable Rector about the proposed number of progress review meetings for major KPIs of SMP, suggesting whether they should be conducted quarterly or bi-annually, and at what level [**Action By:** Director SMP].
- f. A session is to be conducted on foreign research collaborations, focusing on past activities, current foreign opportunities, current targets and responsibilities, and the way forward [**Action By:** Director IO].
- g. Assign and display the targets of research centers separately in SMP Portal [**Action By:** Director SMP].
- h. Policy to establish research Centers/CoE be presented [**Action By:** Director ORIC].
- i. Incentives for Sr. Faculty to attract PG Scholars be presented [**Action By:** All Deans].

Progress Reported:

51. Following progress was reported against each decision point by the relevant offices:

Decision Points	Progress
a. In principle, the restriction on the limit for claiming cash awards is removed. However, a separate presentation be arranged to comprehensively review all aspects of Cash Awards and Publication Fee Policies, considering the quality perspective of the papers.	The proposed policy revisions will be presented in 34th HERCM under the subject Agenda Item by Director ORIC.
b. A way forward be presented for efficiently and effectively entering the data by the CUs on SMP Portal. e. Director SMP is to discuss with Pro-Rector (RIC) and inform the Honorable Rector about the proposed number of progress review meetings for major KPIs of SMP, suggesting whether they should be conducted quarterly or bi-annually, and at what level.	- Director SMP informed on 24 April 2025 that a committee of the following members was formed to work out the said two mechanism: i. Pro-Rector (RIC) ii. Director QA iii. Director SMP - A report was prepared by the Committee on the assigned tasks. The feedback on the same was gathered from all CUs and the report was subsequently presented to the Honorable Rector on 2nd December, 2024.

	- Following recommendations were approved by the Honorable Rector: i. Approval of appointment of Dy. Director SMP at BUHO. ii. Approval of integration of SMP Portal with other online systems of BU. iii. Approval of quarterly review of progress at the campus level. iv. Approval of formation of Progress Review Committee at CU level headed by the DG/ Head of CU with Principals, Director Admin and Director Academics as its members and notification of the same by the Registrar. v. Approval of formation of Progress Review Committee at School level to be headed by the Principal, with HODs as its members and notification of the same by the Registrar. - Director SMP informed that actions on the above decisions have been taken by the relevant officials/ departments.
c. Director IPP to present the progress of KPIs on Research Excellence of IPP during the next visit of the Honorable Rector to BUKC.	Director IPP presented the progress of KPIs on Research Excellence of IPP to the Honorable Rector during his visit to BUKC on 13 March, 2025. Action Items of the Presentation is actively pursued.
d. The target of KPI (Cumulative Impact Factor) be revised to increase the target for SMP.	It is recommended that the status quo may be maintained. The justification was provided by Director ORIC through a Presentation in 34th HERCM under the subject agenda item.
f. A session is to be conducted on foreign research collaborations, focusing on past activities, current foreign opportunities, current targets and responsibilities, and the way forward.	Director IO informed on 24 April 2025 that the session on foreign research collaborations was successfully conducted with all Deans on 20th November 2024, focusing on past activities, current opportunities, targets, responsibilities, and the way forward. Key strategies were discussed to strengthen international partnerships and streamline future efforts.
g. Assign and display the targets of research centers separately in SMP Portal.	The assigned targets for Research Centers/CoE-AI have been approved by the Honorable Rector w.e.f. FY 2025-26 on 4 August 2025. The same targets have been

	communicated to all concerned and updated on SMP Portal by DSMP.
h. Policy to establish research Centers/CoE be presented.	The proposed policy was presented to the Honorable Rector and subsequently approved. The same promulgated through Registrar Notification No. 33/2024 dated 20th June, 2025 for implementation. The same will be presented as Fresh Agenda Item No. 3407 for ratification by HERC.
i. Incentives for Sr. Faculty to attract PG Scholars be presented.	- Dean HS suggested the followings on 13 September 2024: i. Facilitate Sr. faculty members in pursuing their research. ii. Certificate of Appreciation to be given to Sr. FM on Research Achievements. - Dean HSS proposed on 25 February 2025 that Sr. faculty members should be given the financial incentives. - Dean ES submitted the proposal in this regards on 24 February 2025, details of the same are outlined in the separate table given below.

52. Incentives for Sr. Faculty to attract PG Scholars received from Dean (ES) are as follows:

S. No.	Incentive for Faculty	Objective/Rationale	Expected Outcome	Implementation Methodology
i	Reduced Teaching Load for Active Supervisors	Allow faculty to dedicate more time to postgraduate supervision and research.	Higher quality of MS and PhD research work, improved timely completion of Research.	Adjust teaching workload based on the number of MS/PhD students supervised e.g., supervising 2 PhD students during research phase (2 years) or 4 MS students supervision can result in the reduction of one course per semester.
ii	Teaching Assistants from MS/PhD Students	Enable faculty to involve students in MS/PhD programs as full-time & also easing workload on FMs.	Improved faculty research productivity and student engagement.	Provide funded teaching/research assistantship positions for postgraduate students in return of teaching/research commitments.
iii	Flexible Course Delivery	Enable working MS students to manage their studies alongside professional commitments.	Increased enrollment and retention of working professionals in MS programs.	Offer online/recorded lectures for asynchronous access.

Discussion:

53. Pro-Rector (RIC) apprised the house that Dte of RIC has calculated the financial impact of Cash Awards in different categories, if BU removes the restrictions of the limit of maximum of five cash awards by a FM in respective FY, as a result, no significant increase is shown in the presented data. Director QA suggested that Director ORIC proposed the sufficient budget to Treasurer Office before the allocation of the budget in each fiscal year.
54. Treasurer suggested that the financial effect in terms of USD of the revision of the publication fee policy be presented. Director ORIC presented data which depicts last three years trend of publication fee cases received and their overall and average financial effect, was less than 1,000 USD on average/per FY.
55. Director ORIC informed the house that Publication Fee for Research Publications is a good incentive for FMs to get early publications. The Honorable Rector directed to have a separate presentation session on the revision of Publication Fee Policy of BU in the presence of all stakeholders including Treasurer.
56. Pro-Rector (RIC) informed the house that the cumulative impact factor targets already assigned to CUs under the SMP which are challenging and have been aligned with the overall strength of BU's faculty. He further added that, as per HEC guidelines, most Postgraduate programs are offered on weekends or in the evenings, a practice not followed by foreign institutions. Since faculty members are required to perform their duties during weekends or evenings, a proposal may be considered to reduce the teaching load of senior faculty. He added that PhD and project supervision require significant effort and should be translated into credit hours, with a specific allocation of both teaching and research credit hours for senior faculty.
57. Director QA said that HEC has not provided any directive to grant course load waivers to faculty members engaged in supervision, as such reductions have financial implications. The Honorable Rector inquired about the practices followed by other universities in this regard. Director SMP informed the house that NUST assigns credit hours for each research activity; for example, if three students are conducting research under the supervision of one faculty member, a reduction of three credit hours in teaching load is granted to that supervisor.
58. Director HR informed the house that faculty members are currently assigned 40 contact hours per week, out of which 22 credit hours are allocated for teaching and the remaining 18 contact hours for research supervision. Pro-Rector (RIC) identified that there is presently no formal accounting of the 18 contact hours spent on supervision. He suggested that if this effort is translated into credit hours, it would provide a structured mechanism to monitor and evaluate the time devoted to supervision.
59. The Honorable Rector emphasized that BU needs to investigate the root causes behind the prolonged duration of PhD programs, as most scholars take 7–8 years to complete their degrees, which could otherwise be completed within 3-4 years. He observed that one possible reason may be that supervisors are not giving adequate time to their supervisees.

Decision 34 (3301):

60. The following decisions were undertaken by the HERC:
 - a. (i) The following revisions in "Policy for Cash Awards on Research Publications" (Policy No. BUORIC-P01) has been approved by the HERC:

Clause	For	Read
4.3	Only <i>five research papers</i> can be claimed for cash award in one financial year per faculty member. Claim shall be counted toward claim initiator and awardee against five papers limit per year.	Each FM can claim Cash award during one fiscal year for publications as follows: • Maximum of 05 papers under “Y” category (except Science disciplines i.e. Engineering and Computer Sciences). • Maximum of 05 papers under “X” category without impact factor (for all disciplines). • All papers under “W” & “X” category with Impact Factor (for all disciplines).
4.10	Faculty members who already availed maximum limit of five cash awards are not eligible to apply further cash awards during current financial year, under this policy.	Clause to be deleted.
4.8	Only BU affiliation of BU Employees and Student/Scholar as an author will be considered for all Cash Awards.	Dual Affiliated publications are allowed for Cash Awards to BU Employees and Student/Scholar as author (one affiliation shall be of BU). Note: Dual affiliation refers to a situation where a researcher or academia is officially associated with two institutions at the same time i.e. XYZ is a full-time professor at Bahria University and a visiting researcher at another institute. In their published papers, they can list both universities as their affiliations, indicating dual affiliation.

****The above Point Dropped.***

- a. (ii) A presentation session to be arranged on the proposed revisions in "Policy for Payment of Publication Fee for Journal Publications" (Policy No. BUORIC-P02) in the presence of all stakeholders covering the financial effects of these revisions. *Progress to be Reported.*

- i. Director PGP to organize a presentation session after incorporating input from all relevant stakeholders, including Deans, DQA, DHR, and others. The session will present a comprehensive proposal addressing all aspects related to the allocation of credit hours for teaching and supervision. The proposal should also include a review of supervision practices at other universities, an evaluation of how BU's criteria have evolved, identification of the most effective model, and an analysis of why BU PhD scholars

generally take up to eight years to complete their degrees. Additionally, the proposal must recommend measures to reduce this duration and provide an assessment of the financial implications to determine whether the proposal is feasible. *Progress to be Reported.*

Item No. 3302: Progress Review of PhD Scholars

Decision 3302:

61. The following decisions were undertaken by the HERC:

- a. The number of years since enrollment of the PhD Scholars, recommendations of both FRC & Advisory Committees be included in the presentation on Progress of PhD Scholars [Action By: Director ORIC].
- b. Director PGP is asked to provide bi-annual reports of Advisory Committees considering the approved ToRs and process the same for perusal of the Honorable Rector [Action By: Director PGP, All Deans].

Progress Reported:

62. The number of years since enrollment of the PhD Scholars, recommendations of both FRC & Guidance and Evaluation Committee (formally known as Advisory Committees) have been included in the presentation on Progress of PhD Scholars. The same will be presented as Fresh Standing Agenda Item No. 3402.
63. Director PGP informed on 7 Aug 2025 that the updated Progress on the subject Agenda Item will be presented by Director PGP in 34th HERCM under the subject Agenda Item.

Decision 34 (3302):

64. Needful has been done. *Point Dropped.*

Item No. 3303: Progress Review of Research Centers/BICs

Decision 3303:

65. The following decisions were undertaken by the HERC:

- a. The Chair directed Director ORIC to issue instructions to Heads of CUs to define the targets for research centers (in terms of Publications, funding, patents, consultancies, trainings, etc.) in conjunction with SMP. Furthermore, the campuses are also required to submit the self-sustainability plan of the research centers. The same be processed for the approval of the Honorable Rector after the endorsement of Pro-Rector (RIC) [Action By: Director ORIC].
- b. All Research Centers/BICs shall present their progress graphically against the targets in the next HERC, showing both current and previous progress [Action By: Heads of Centers].

- c. The Honorable Rector directed Head ADRC to involve Balochistan Government alongside Sindh government for the MoU regarding Sea Food Testing. Pro-Rector (RIC) may also meet some officials of Baloshistan Government in this regard on his visit to Karachi [**Action By:** Head ADRC].
- d. Head ERC to conduct Carbon Footprint Assessment of BU campuses after getting expertise from executing the project titled “Carbon Footprint Assessment of Pakistan’s Shipping and Shipbreaking Sectors” [**Action By:** Director ERC].
- e. A proposal after studying all aspects to establish ERC at BUIC and Research Center in AI at BUKC be presented to the Honorable Rector [**Action By:** Dean ES].
- f. The complete plan of all Labs of E&ES at BUIC H-11 comprised of future outcomes of the labs and how many FMs of E&ES can be utilized in these labs be presented to the Honorable Rector [**Action By:** Principal BSEAS, BUIC H-11].
- g. A study to be conducted on the utilization of AI in Health Sciences by a study group comprises of Dean ES, Director CoE-AI and Dean Health Sciences and findings/proposals of the same be presented to the Honorable Rector [**Action By:** Dean ES, Dean HS & Director CoE-AI].
- h. Freelancing space at BIC Basement BIC-BUIC E-8 be launched in the next two months [**Action By:** Manager BIC and Director Admin BUIC-E8].
- i. A separate presentation session be arranged by the Head of SIL Research Center along with DG-IC to decide the way forward for SIL [**Action By:** Head SIL].

Progress Reported:

66. Following progress was reported against each decision point by the relevant offices:

Decision Points	Progress
a. The Chair directed Director ORIC to issue instructions to Heads of CUs to define the targets for research centers (in terms of Publications, funding, patents, consultancies, trainings, etc.) in conjunction with SMP. Furthermore, the campuses are also required to submit the self-sustainability plan of the research centers. The same be processed for the approval of the Honorable Rector after the endorsement of Pro-Rector (RIC).	- The assigned targets for Research Centers/CoE-AI have been approved by the Honorable Rector w.e.f. FY 2025-26 on 4 August 2025. The same targets have been communicated to all concerned on 12 August 2025 and updated on SMP Portal by Director SMP. - The approved self-sustainability plans of CoE-AI, ERC and ADRC have communicated to all concerned by Director ORIC on 13 August 2025 for necessary compliance.
b. All Research Centers/BICs shall present their progress graphically against the targets in the next HERC, showing both current and previous progress.	All Research Centers presented their progress graphically by showing the comparison of FY 2023-24 and FY 2024-25 as Fresh Agenda Item No. 3403. Since the targets are proposed/approved w.e.f. current FY 2025-26, therefore, the progress

	against targets will be presented by Research Centers from next HERCM. • However, Manager BICs presented the progress of BICs against the assigned targets on SMP in 34th HERCM in Fresh Agenda Item No. 3403.
c. The Honorable Rector directed Head ADRC to involve Balochistan Government alongside Sindh government for the MoU regarding Sea Food Testing. Pro-Rector (RIC) may also meet some officials of Baloshistan Government in this regard on his visit to Karachi.	• Director Academics-BUKC informed on 16 December 2024 that the MoU draft is prepared and shared with the “Livestock and Fisheries Department Government of Sindh” and the “Fisheries & Coastal Development Department of the Government of Balochistan” and waiting for their positive response. • Head ADRC apprised on 1 August 2025 that he is in coordination with their representatives, however, BUKC is still waiting for their response on draft MOU. The same may be pursued by BUKC.
d. Head ERC to conduct Carbon Footprint Assessment of BU campuses after getting expertise from executing the project titled “Carbon Footprint Assessment of Pakistan’s Shipping and Shipbreaking Sectors.”	• Director Academics-BUKC informed on 16 December 2024 that the project had been dropped by Funding agency due to time constrain. However, ERC would acquire Green-house Gasses (GHGs) inventories expertise in future projects.
e. A proposal after studying all aspects to establish ERC at BUIC and Research Center in AI at BUKC be presented to the Honorable Rector.	Dean (ES) apprised the progress on 5 August 2025: • The feasibility study and potential location for establishing the AI Center of Excellence have been identified in accordance with the directives of the Honorable Rector, Bahria University. • A preliminary presentation, including a tentative layout plan and estimated cost, was delivered to the Director General (DG) BUKC. • Based on the feedback and recommendations provided by the DG, necessary modifications and the development of a 3D model are currently underway.

f. The complete plan of all Labs of E&ES at BUIC H-11 comprised of future outcomes of the labs and how many FMs of E&ES can be utilized in these labs be presented to the Honorable Rector.	a. A presentation on the Utilization and Commercialization of E&ES Lab Equipment at BUIC H-11 Campus was given to the Honorable Rector on 21 October 2024. b. To provide Environment Protection Agency (EPA) certified services through the E&ES Labs, application for certification was submitted to EPA in Dec 2024 and subsequent EPA visit was conducted on 4th March 2025. Observations were received on 25th April 2025. c. Major observations were: i. Redesigning of cabinets/lab fixtures for easy access – in Progress. ii. Provision of health and safety gears – in Progress. iii. Separation of chemicals - Completed. iv. Related SOPs for handling chemicals – Completed. d. A re-confirmatory visit by the EPA will be scheduled once all concerns have been fully addressed. e. The case for establishing a Center of Research Excellence has been recommended by the Campus and submitted to ORIC as per policy.
g. A study to be conducted on the utilization of AI in Health Sciences by a study group comprises of Dean ES, Director CoE-AI and Dean Health Sciences and findings/proposals of the same be presented to the Honorable Rector.	a. Dean (HS) informed that initial meetings & deliberation between CoE-AI & Health Sciences experts have taken place. In this regard, online meeting was conducted with Director COE-AI. Dir CoE-AI has also shared the potential areas for joint R&D with Dean HS. b. Dean (ES) informed that a collaborative framework for joint research in AI & health sciences has been shared by CoE-AI with Dean HS as a way forward towards joint research. c. Director CoE-AI apprised (on 6 August 2025) that after multiple meetings by CoE-AI with the team of ES and BUHSC-K, following projects have been identified and

	subsequently the following joint projects have been started: - Non-Invasive Blood Group, Age and Gender Detection Using Fingerprints (Supervisor Dr. Faryal Nosheen and Co-Supervisor Dr. Usman Qamar). - Early detection of Sickle Cell Anemia and Iron deficiency using Microscopic Films along with CBC reports. (Supervisor Dr. Faryal Nosheen and Co-Supervisor Dr. Joddatt Fatima). - Early Detection and Treatment Recommendation System for Coronary Artery Disease (CAD) (Supervisor Joddatt Fatima and Co-Supervisor Dr. Faryal Nosheen). - EEG and ECG Data for emotion recognition (Supervisor Dr. Nadia Sultan and Co-Supervisor Dr. Joddatt Fatima).
h. Freelancing space at BIC Basement BIC-BUIC E-8 be launched in the next two months.	- Repair and Maintenance of BIC building including Water Seepage issue has been initiated w.e.f. 16 July 2025 and will be completed by 16 October 2025. - Freelancer Space principally approved to be established in BIC building, will be completed within 45 days of completion of the current work.
i. A separate presentation session be arranged by the Head of SIL Research Center along with DG-IC to decide the way forward for SIL.	A meeting was called with DG-IC, Head SIL ensured that response/progress will be submitted in due course of time, the same is still awaited. <i>Progress to be Reported.</i>

Discussion:

67. Pro-Rector (RIC) informed the house that the Smart Integrated Research Center (SIL) initially had two members: Team Lead, Dr. Ali Imtiaz and another member who left one and a half years ago. As a result, the center is not functionally active and has shown no significant progress since its establishment.
68. Director General-IC reported that, based on two separate discussions with the Head of SIL, no notable progress has been achieved. He further shared that, as discussed with the Director ORIC, a proposal outlining the required resources will be submitted by BUIC E-8 under the recently approved *Policy on "BU Research Laboratories, Centers of Research Excellence, and Research Institutes"* for further processing and approval.

69. Pro-Rector (RIC) emphasized that, to avoid potential claims from hospital patients regarding the use of their personal data in joint projects by CoE-AI with the team of ES and BUHSC-K, ethical considerations and strict confidentiality of patient data must be ensured.

Decision 34 (3303):

70. The following decisions were undertaken by the HERC:

- a. Needful has been done. *Point Dropped.*
- b. Needful has been done. *Point Dropped.*
- c. Needful has been done. *Point Dropped.*
- d. Needful has been done. *Point Dropped.*

Item No. 3309: Cancellation of PhD Student Candidacies

Decision 3309:

71. Based on FRC's recommendation and BU PhD Rules, HERC approved termination of PhD Student Candidacy of following THREE (03) PhD from BUKC, BUIC H-11 & BUIC E-8 and transcript be issued clearly depicting the degree status as "INCOMPLETE" [Action By: Controller of Examinations].

Sr. #	Name	Enrollment	Department & Campus
i.	Mr. Ghalib Ayub Hassan	02-280152-002	Department of MS – BUKC
ii.	Ms. Maria Ahmed	01-281181-003	Department of CE – BUIC H-11

iii.	Ms. Sehrish Khan	01-280181-004	Department of MS – BUIC E-8
------	------------------	---------------	-----------------------------

Progress Reported:

72. The Controller of Examinations informed on 24 December 2024 that cancelation of PhD candidacy i.r.o. Mr. Ghalib Ayub Hassan (Enroll. No. 02-280152-002), Ms. Maria Ahmed (Enroll. No. 01-281181-003) and Ms. Sehrish Khan (Enroll. No. 01-280181-004) has been implemented and updated in Examination Record.

Item No. 3311: Approval of Names of FMs for PhD Supervision/Launch of New Programs Recommended by Relevance Assessment Committees (RACs)

Decision 3311:

74. The following decisions were undertaken by the HERC against which the progress was required:

3311(c): The HERC recommended that Dr. Syed Kashif Raza to be inducted on priority and in parallel, the case of FM with MS/MPhil Degree in MLS be taken up to HEC for the approval to start the new Program of MS (MLS) at BUHSC and pursue the case as well [**Action By:** Dean HS, Director PGP, Director QA].

3311(g): Pro-Rector (RIC) and Director QA to devise a mechanism to take the approval of those cases of RACs that will be held later after 33 HERCM [**Action By:** Director QA].

Progress Reported:

75. Dean HS informed on 2 January 2025 that Dr. Syed Kashif Raza didn't join BU, subsequently, the names of Dr. Laraib Liaquat and Dr. Nain Tara were approved by RAC based on their relevant experience to start the new MS/MPhil Degree Program in MLS at BUHSC-K. The case was also taken up to HEC for approval which has been approved by HEC. The NOC for launching the MS MLS program has been received from HEC and the same has been communicated to all concerned stakeholders for further necessary action.

76. Director QA informed on 28 April 2025 that the process and standardized forms for RAC activities have been approved by the Honorable Rector and shared with all Deans.

Decision 34 (3311):

77. Needful has been Done. *Point Dropped.*

Item No. 3313: Amendment in BU Policy on HEC Travel Grant Funding Mechanism

Decision 3313:

78. The HERC was undertaken the following decisions:

- a. The HERC has approved the proposed amendments in principle in the BU Policy on HEC Travel Grant Funding Mechanism, as follows:

HEC Share	BU Share
Up to 50% of the Requested Grant	Equal Amount to HEC Grant
Greater than 50% of the Requested Grant	Remaining Amount of Requested Grant

- b. The working on budget aspect of the BU be completed. The same be processed on file for the approval of the Honorable Rector [**Action By:** Director ORIC].

Progress Reported:

79. The budget aspect was discussed with Treasurer and after consensus with Treasurer and Director IO, the approved recommendation of HERC was processed on file for the approval of the Honorable Rector. Subsequent to the approval by the Honorable Rector, the revised Travel Grant Policy placed at [Appendage-II](#) was circulated on 23 October, 2024 to all concerned for necessary compliance.

Decision 34 (3313):

80. Needful has been done. *Point Dropped.*

Item No. 3314: Amendment in Approval Procedure of Consultancy

Decision 3314:

81. The HERC has approved the followings:

- a. The following proposed amendments be made in **Consultancy Policy of BU** (BUORIC-P14) and **Course Load Reduction Policy** (BUORIC-P08), as follows:

FOR	READ
Consultancy Policy of BU (BUORIC-P14) Clause (e) Approving Authority: It is mandatory for all faculty members/researchers of BU to solicit prior approval of the Director Constituent Unit before undertaking any consultancy endeavor with the industry. Course Load Reduction Policy (BUORIC-P08) Clause 5.1: The application for the reduction in course load (against consultancy) shall be submitted on the prescribed application forms to the ORIC Directorate of BUHO through respective Director Campus for Scrutiny/verification which will be processed further for the approval of the Competent Authority through Director QA and Pro-Rector (RIC).	The cases of consultancy shall be sent to Dte of RIC, BUHO from Director (Admin)/Director Campus/Director CU (where applicable) for the approval of the any consultancy undertaken with the industry, course Load waiver and relaxation in working hours by the Honorable Rector.

- b. The cases of consultancy be forwarded by the Campuses/CUs on priority in a minimal time to BUHO [**Action By:** All Heads of CUs].
- c. The new mechanism be implemented initially for the next six months, after which the benefits and drawbacks will be assessed [**Action By:** Director ORIC].

Progress Reported:

82. Both the policies i.e. Consultancy Policy of BU (BUORIC-P15) and Course Load Reduction Policy (BUORIC-P08) has been updated in RIC Policy Manual and uploaded on OAC/CMS/EMS on 6 August 2024 after incorporating the approved amendment. The same updated policies are placed at [Appendage-III](#) and [Appendage-IV](#) respectively and are being complied with by all concerned.

83. After implementing the new mechanism, the cases for undertaking the consultancy projects were approved by the honorable Rector within 2-3 working days (*in last one year i.e. July 2024 to July 2025, twenty new cases of consultancy projects were approved*).

Decision 34 (3314):

84. Needful has been Done. *Point Dropped.*

Item No. 3316: Revision of R&D Policies of BU

Action by: **Director ORIC**

Decision 3316:

85. The following decisions were undertaken by the HERC against which the progress are required:

3316(d): Amendments in the ‘Travel Grant Policy’ placed at [Appendage-V](#) approved in principle. The revised ‘Travel Grant Policy’ after incorporating the revised Financial Changes be processed on file for the approval of the Honorable Rector [**Action By:** Director ORIC].

3316(g): The name of R&D Policy Handbook be changed to “**Research, Innovation and Commercialization (RIC) Policy Manual**” [**Action By:** Director ORIC].

Progress Reported:

86. The revised ‘Travel Grant Policy’ after incorporating the revised Financial Changes has been processed on file for the approval of the Honorable Rector. Subsequent to the approval by the Honorable Rector, revised ‘Travel Grant Policy’ placed at [Appendage-V](#) has been disseminated to all concerned on 7 November 2024 for implementation and compliance.

87. The name of R&D Policy Handbook has been changed to “**Research, Innovation and Commercialization (RIC) Policy Manual.**” The same was uploaded on CMS, EMS, OAS with its new name on 6 August 2024.

Item No. 3401: Progress Review of Major KPIs of RIC

Sponsor: **Director ORIC**

Referral Authority: **31st HERCM**

Summary of the Case:

89. Consequent to the decision of 31st HERCM, progress on the achievement of MAJOR KPIs by BU will be presented by Director ORIC before the HERCM for information.

Discussion:

90. Pro-Rector (RIC) apprised the house that the progress of major KPIs of SMP including Excellence in Research is now presented on standard forum/separate session on the progress of KPIs of SMP quarterly at CUs and bi-annually at BUHO level, therefore, he proposed that instead of presenting the same KPIs on multiple forums, it should be presented on the dedicated SMP standard forum and exclude from HERC.
91. Similarly, Director SMP was also in favor that the progress on the KPIs of Excellence in Research and other objectives should be presented on the SMP forum. He added, previously, there was no such forum where KPIs of Excellence in Research was discussed before the Honorable Rector, now, it is presented on a dedicated forum.
92. The Honorable Rector inquired from Director SMP whether the audience of SMP dedicated session are different from HERC. Director SMP informed that the audience of the said forum are the same.
93. DG-IC, DG-KC and DG-BUHS-K endorsed the proposal of Pro-Rector (RIC) and Director SMP.

Decision 3401:

94. The progress of major SMP KPIs under the objective "*Excellence in Research*" be presented in standard forums/dedicated session on SMP-KPIs progress on a quarterly basis at the Campus (CUs) level and biannually at the BUHO level as per the current practice, instead of HERC. *Point Dropped.*

Item No. 3402: Progress Review of PhD Scholars

Sponsor: **All Deans**

Referral Authority: **30th HERCM**

Summary of the Case:

95. All Deans presented the consolidated progress of PhD Scholars of their respective faculties on new standardized format depicting the status of achieved milestones and recommendations of both FRC & Guidance and Evaluation Committee (formally known as Advisory Committees) for the information of HERC.

Discussion:

96. The Honorable Rector inquired about the consequences if a student does not attend an on-campus meeting with his/her supervisor. Dean HSS informed the house that the current

policy does not explicitly require scholars to meet their supervisors on campus. The Honorable Rector further asked whether it should be made mandatory for each PhD scholar to meet their supervisor on campus at least twice a month, rather than relying solely on email or online correspondence. DQA explained that each PhD scholar is required to register for 9 credit hours during the research phase, and against those credit hours, BU provides supervisors the flexibility to schedule on-campus meetings with their scholars either weekly or twice a month depending on their convenience.

97. The Honorable Rector inquired about international practices in this regard. Dean ES and Dean MS, informed the house that in foreign universities, supervisors require their students to spend specific hours in laboratories or other on-campus research facilities. Dean PP added that, in many cases, it is based on a mutual understanding between the supervisor and the PhD scholar, whereby they agree on timelines and set agendas to review research progress. If a scholar fails to demonstrate satisfactory progress, the supervisor submits an unsatisfactory report accordingly.
98. Pro-Rector (RIC) informed the house that the PhD Rules state: *“at the start of each semester, the supervisor will share a weekly meeting plan with the supervisee and maintain a log of meetings and outcomes.”* He emphasized that these meeting logs should be properly recorded and tracked. He further added that, as per the Graduate Education Policy, physical meetings between PhD scholars and their supervisors are mandatory. The Director PGP informed the house that meeting logs and research progress are monitored against the initial research plan by the Directorate of PGP.
99. Director QA stressed that policies and procedures are already in place, but they must be implemented in letter and spirit. The DG-IC, DG-KC, and DG-BUHS endorsed this view, adding that while provisions may be made for online meetings, exclusive reliance on them should not be permitted, as PhD scholars tend to remain more focused in physical meetings. Dean HS suggested that relaxation for online meetings may be granted, particularly for scholars conducting research from remote areas or abroad.
100. Pro-Rector (Academics) opined that cases of missing progress should be addressed at the campus level in the initial stages, as the relevant rules, offices, and mechanisms are already in place, and such matters should not be brought to the HERC forum. Pro-Rector (RIC) further emphasized that progress reports must be monitored by the respective campus offices, and necessary actions should be taken at an early stage to address any issues where required.

Decision 3402:

101. The following decisions were undertaken by the HERC:
 - a. BU Rules be followed in true letter and spirit in this regard. The flexibility of specific number of online meetings to be provided to PhD Scholars without entirely compromising their physical meeting plan with the supervisors. *Progress to be Reported.*
 - b. The scholars who are not meeting the timelines as per Rules must not be allowed to continue their studies at BU. *Point Dropped.*

- c. All Deans to forward any changes required in the rules to Dte of PGP. The same be discussed with Pro-Rector (RIC) for further processing for the Honorable Rector as per procedure in vogue. *Progress to be Reported.*
- d. The implemented system be followed in true letter and spirit and the progress reports of PhD scholars should be monitored by the respective offices at Campus level and necessary actions be taken to address these issues at initial stage where required. *Point Dropped.*

Item No. 3403: Progress Review of Research Centers/BICs	
Sponsor: Director ORIC Director Academics BUIC & BUKC Director BULC	Referral Authority: Registrar Office

Summary of the Case:

- 102.** As per Registrar Letter No. BU-HO/Reg/L/2023/625 dated 29 November 2023, CUs present the progress depicting the status of achieved milestones of their Centers/BICs for the information of HERC. The same was presented by the following officials in 34th HERCM:
- a. Director CoE-AI - BUIC
 - b. Head ADRC - BUKC
 - c. Head ERC – BUKC
 - d. Manager BIC - BUIC
 - e. Manager BIC – BUKC
 - f. Manager BIC – BULC

Discussion:

- 103.** Pro-Rector (RIC) inquired from Director CoE-AI about the timeline for achieving self-sustainability. Director CoE-AI informed that, as per the approved plan, the center will self-sustainable by FY 2027–28.
- 104.** Pro-Rector (RIC) asked why there was no significant increase in revenue generated by ADRC and ERC in FY 2024–25 compared to FY 2023–24, given that their primary purpose is to generate revenue through commercial services. Director QA inquired about the ISO certification status of ADRC services. Head ADRC informed that ADRC obtained ISO certification in 2024, valid until 2027.
- 105.** Pro-Rector (RIC) asked why no PhD scholars are currently enrolled, despite BUKC having a state-of-the-art ERC. Head ERC explained that the PhD program in Environmental Sciences at BUKC has been on hold for the past three years. HoD E&ES-BUKC added that

the freeze was due to a shortage of PhD-qualified faculty in the relevant disciplines. Pro-Rector (RIC) requested DG-KC and the Director PGP to brief the case regarding the freezing of the program the same day.

106. Director ORIC reported that, based on his discussions with Heads of ADRC and ERC, both centers face HR shortages. The Honorable Rector commented that if a research center lacks adequate resources, it should raise its requirements through a justified proposal. Head ERC further highlighted that staff at ERC currently have no career progression pathway.
107. Pro-Rector (RIC) informed the house that previously, BICs did not graduate startups within a specified timeframe. However, with the implementation of the BIC Policy across campuses, startups are now required to graduate within 12–18 months.
108. Pro-Rector (RIC) addressed all BIC Managers, emphasizing that BU can set SMP targets for “Revenue/Funds Generated by Incubated/Graduated Companies” based on the business plans of startups at the time of induction, which are also used when seeking investor or venture capitalist funding.
109. The Honorable Rector inquired whether the startups at BIC-BUKC had completed the defined graduation period. Manager BIC-BUKC informed that most startups graduated within 6–8 months. Pro-Rector (RIC) clarified that, as per HEC guidelines and the BIC Policy Manual, the minimum graduation period is 12 months and the maximum is 18 months. He added that BICs design grooming programs spanning 12–18 months; only those startups completing this cycle and showing progress are considered “graduated.” Companies leaving before completion are not categorized as graduated startups.
110. Pro-Rector (RIC) apprised the house that BIC-BUHO has now prepared comprehensive policy guidelines through the BIC Policy Manual, aligned with HEC requirements.
111. Director SMP suggested that, in line with emerging HR trends, interns and trainees alongside dedicated startup HR may also be counted towards the HR strength of startups/companies.
112. Pro-Rector (RIC) clarified that Final Year Projects (FYPs) and startups are distinct concepts. He added that a student led startup does not necessarily originate from an FYP. Director Academics opined that an FYP can serve as the initial idea for a startup, which students may later commercialize by launching their own companies. Director Marketing shared NUST’s example, where after completing FYPs, students’ projects are evaluated for IP registration and commercialization. During their FYP phase, however, students are neither encouraged nor permitted to formally start a startup.

Decision 3403:

113. The following decisions were undertaken by the HERC:
 - a. The progress on the approved self-sustainability Plan of Research Facilities be part of the presentation of standing agenda on Progress Review of Research Facilities/BICs. *Point Dropped.*
 - b. DG-KC to make a mechanism for improving the revenue of ERC and ADRC and identify the additional resources required and what strategies will be adopted for marketing their services. The same be presented to the Honorable Rector in his next visit to BUKC. *Progress to be Reported.*

- c. Renovation of BIC Building, Islamabad be Completed on time and freelancing space in BIC building basement be commissioned. *Progress to be Reported.*
- d. Depiction of SMP target for BIC titled "No. of Rooms/Physical Space Available for Incubation" be replaced with "No. of Physical Slots/Work Stations available for Incubation/Startups." *Progress to be Reported.*
- e. A separate session to be arranged by BIC-BUHO to guide the other BICs on recently approved BU BIC Policy Manual. *Progress to be Reported.*

Item No. 3404: Approval of CoE-AI Compendium

Sponsor: **Director CoE-AI**

Referral Authority: **DG-IC**

Summary of the Case:

- 114.** "CoE-AI Compendium" placed at [Appendage-VI](#) has been developed to consolidate all functional and administrative details of CoE-AI into a single, comprehensive reference document by CoE-AI, BUIC E-8. Previously, approvals for CoE-AI operations were processed through individual case files, resulting in the absence of a unified document. The same was approved by DG-IC. The primary purpose of the compendium is to provide a unified source of reference for previously approved operational and administrative details. Future additions or updates in CoE-AI specific policies and procedures can be incorporated in document as per requirement on time to time basis.
- 115.** For all other matters, Bahria University's policies and statutes remain fully applicable and are not superseded by this document.
- 116.** "CoE-AI Compendium" introduces no new approvals; all contents have already been formally approved through individual case files or notifications, as outlined in each section of the document. It has been designed to serve as a foundational reference for CoE-AI, ensuring clarity and accessibility of information.

Recommendation:

- 117.** Approval is solicited from HERC for "CoE-AI Compendium" placed at [Appendage-VI](#). For all other matters, Bahria University's policies and statutes remain fully applicable and are not superseded by this document.

Discussion:

- 118.** Pro-Rector (RIC) suggested that all other Research Facilities must have the standard Compendium for all past approvals. DG-KC also endorsed the suggestion of Pro-Rector (RIC).

- 119.** Pro-Rector (Academics) inquired whether this compendium has anything which is not formally approved. Director CoE-AI informed that “CoE-AI Compendium” introduces no new approvals; all contents have already been formally approved through individual case files or notifications, as outlined in each section of the document.
- 120.** Pro-Rector (RIC) inquired whether HERC has the purview to approve the “CoE-AI Compendium” as no new approvals is required in the Compendium from HERC. Director CoE-AI informed that "CoE-AI compendium" was submitted to Registrar Office for notification, however, Registrar Office suggested on case file that the said CoE-AI compendium of the policies may be presented to the relevant forum for approval/ ratification and subsequent promulgation through the Registrar notification.

Decision 3404:

- 121.** The following decisions were undertaken by the HERC:
- "CoE-AI compendium" has been vetted by the HERC and to be utilized by DG-IC on as and when required basis. *Point Dropped.*
 - Standard template of "Compendium" on the footing of “CoE-AI Compendium” be issued to all Campuses for compiling the same by their respective Research Facilities for reference. *Point Dropped.*

Item No. 3405: Policy on BU Research Laboratories/CORE/Research Institutes

Sponsor: **Director ORIC**

Referral Authority: **Pro-Rector (RIC)**

Summary of the Case:

- 122.** Bahria University had no standard policy for the establishment, functioning and discontinuation (if required) of BU Research Laboratories/Centers of Research Excellence/Research Institutes.
- 123.** Furthermore, the Decision 3301(h) of the 33rd HERCM was “Policy to establish Research Centers/CoE be presented.”
- 124.** In this regard, the subject policy was drafted and presented to the Honorable Rector.
- 125.** Subsequent to the approval by the Honorable Rector, the ‘BU Research Laboratories/Centers of Research Excellence/Research Institutes’ was promulgated via Registrar Notification No. 33/2025 dated 20 June, 2025.
- 126.** Furthermore, Dte of RIC has also prepared the TORs of Head/Incharge of Research Facilities (Research Laboratory/Center of Research Excellence/Research Institute).

Recommendations:

127. The followings are the recommendations:

- i. Policy on 'BU Research Laboratories/Centers of Research Excellence/Research Institutes' (placed at [Appendage-VII](#)) is tabled before HERC for ratification.
- ii. TORs of Head/Incharge of Research Facilities (Research Laboratory/Center of Research Excellence/Research Institute) placed at Appendage-VIII is tabled before HERC for approval.
- iii. The existing CoE-AI and Research Centers be re-organized and re-notified in purview of the organizational structure of the Research Facilities (Clause 7.2) of the approved 'BU Research Laboratories/Centers of Research Excellence/Research Institutes' Policy.
- iv. HERC is also requested to approve the following amendments in BU Statutes which will be processed for inclusion in BU Statutes as per procedure in vogue:
 - a. Inclusion of TORs of Head/Incharge of Research Facilities placed at [Appendage-VIII](#) and TORs Director/DD Research at CU Level placed at [Appendage-IX](#) (*in light of the Registrar Notification No. 17/2025 dated 20 March 2025*).

Item No. 3408: Amendments in IP Policy of BUSponsor: **Director Technology Development**Referral Authority: **Pro-Rector (RIC)****Summary of the Case:**

136. The IP Policy of BU is proposed to be revised for Inclusion of Copyright and Design in Cash Incentive keeping in view the followings:

- a. To encourage faculty members and increase BU IP portfolio, the policy is proposed to be updated for the Cash Incentives by including Copyrights and Designs. As per the current policy, the cash incentive is only for the Patents.
- b. Cash Incentives on filing and grant of Copyrights and Designs is proposed as Clause 4.4, 4.5 and 4.6.

Recommendations:

137. The following proposed clauses in the 'IP Policy of BU' in RIC Policy Manual may please be added:

Clause	Current Cash Incentives in IP Policy
4	4.1. Rs. 100,000/- will be awarded by BU to all the FMs on award of National / International Patents in the name of BU.
	4.2. Rs. 20,000/- will be awarded by BU to all the FMs on filing of each Comprehensive Patent Application to IPO-Pakistan.
	4.3. Rs. 40,000/- will be awarded by BU to all the FMs on filing of each Comprehensive Patent Application to International Patenting Bodies of the world.
	Additional Clauses as 4.4, 4.5 and 4.6 to be Added in IP Policy of BU
	4.4 Rs. 50,000/- will be awarded by BU to all the FMs on grant of National/International Copyright and Design in the name of BU.
	4.5 Rs. 10,000/- will be awarded by BU to all the FMs on filing of National Copyright and Design Application.
	4.6 Rs. 20,000/- will be awarded by BU to all the FMs on filing of International Copyright and Design Application.

138. Approval is solicited from HERC for the proposed above-mentioned amendments in the 'IP Policy of BU.'

Discussion

139. Director ORIC informed the house that Copyright/Design is considered an extension of an idea, whereas a Patent represents innovation. To encourage faculty members (FMs) to file for Copyrights and Designs as well, the Director Technology Development initiated to provide cash incentives both at the filing and approval stages. He further highlighted that the Intellectual Property Organization of Pakistan is the authorized body in the country for granting Patents, Copyrights, and Designs.

140. Director QA proposed that Bahria University should enhance the cash award from Rs. 50,000 to Rs. 100,000 for FMs upon the grant of National/International Copyrights and Designs registered in the name of BU. He further recommended that cash incentives should not be offered at the filing stage. In response, Pro-Rector (RIC) emphasized that preparing applications for Patents, Copyrights, and Designs requires considerable time and effort. He

added that such incentives would encourage FMs to file more applications, thereby increasing the likelihood of BU securing a greater number of Intellectual Property Rights (IPRs).

141. The Honorable Rector remarked that filing an International Patent, Copyright, or Design requires extensive effort, and BU is currently lagging in the number of such filings. He emphasized that incentives should therefore be provided to faculty members to encourage them to explore these opportunities. Director Technology Development informed that an IP Assessment Committee has now been established headed by Pro-Rector (RIC). All new IPRs will be evaluated by this committee prior to filing, and only the recommended applications will proceed further.
142. The Honorable Rector further inquired whether the current incentives are sufficient to motivate FMs, particularly PhD faculty, and if these incentives could be enhanced further. Pro-Rector (RIC) recommended revising the cash incentives for IPRs filing and approval. Dean ES and Dean MS endorsed the proposal to increase the incentives for IPRs.
143. Director ORIC highlighted that in many foreign universities, theses are not accepted unless they qualify for filing as IPRs. Director SMP raised the question of who would bear the patent filing fee. In response, Director Technology Development informed that BU already covers the cost of patent filing, and the Directorate of Technology Development also provides capacity-building trainings to FMs and researchers on IPR application writing and filing.

Decision 3408:

144. The following decisions were undertaken by the HERC:

- a. The Cash Incentives on IPRs by addition of **1.5X** Cash Incentives on all clauses of existing and proposed cash incentives on IPRs filing and approval are approved by the HERC for implementation with immediate effect, as follows:

Clause	Current Cash Incentives in IP Policy
4	4.1. Rs. 150,000/- will be awarded by BU to all the FMs on award of National / International Patents in the name of BU.
	4.2. Rs. 30,000/- will be awarded by BU to all the FMs on filing of each Comprehensive Patent Application to IPO-Pakistan.
	4.3. Rs. 60,000/- will be awarded by BU to all the FMs on filing of each Comprehensive Patent Application to International Patenting Bodies of the world.
	Additional Clauses as 4.4, 4.5 and 4.6 to be Added in IP Policy of BU
	4.4 Rs. 75,000/- will be awarded by BU to all the FMs on grant of National/International Copyright and Design in the name of BU.
	4.5 Rs. 15,000/- will be awarded by BU to all the FMs on filing of National Copyright and Design Application.
	4.6 Rs. 30,000/- will be awarded by BU to all the FMs on filing of International Copyright and Design Application.

- b. The impact/outcome of revised incentives be assessed in next Six Months and presented the same in 35th HERCM for review again. *Progress to be Reported.*

- c. The same be updated in IP Policy of BU and RIC Policy Manual. *Point Dropped.*

Item No. 3409: BU Silver Jubilee Rector's Honor Fellowship Program for PhD Students and BU Incentive based PhD Program Policy

Sponsor: **Director PGP**

Referral Authority: **Case Files**

Summary of the Case:

- 145.** A few critical changes were made to the PG Rules in response to observations raised during the discussion on Para-28 of Agenda Item-IV in the 20th ECM. After due deliberation at the Bahria University (BU) level, PGP Dte presented its recommendations to the Honorable Rector on 27 September 2024 to align BU's practices with those of other universities. Consequently, the role of the Guidance and Evaluation Committee was incorporated into the PhD Rules and the Internal Thesis Defense was renamed as the Pre-External Evaluation Thesis Review and Defense. These changes were incorporated in "BU PhD Fellowship Program Policy" and "BU Incentive Based PhD Program Policy" and approved by the Honorable Rector BU through case File No. BU-HO/PGP/2024/373.
- 146.** The Director Student Affairs, conveyed through letter BU-HO/SA/2025/L/1892 that approval has been granted to rename the previously approved title "BU PhD Fellowship Program" as "BU Silver Jubilee Rector's Honour Fellowship Program for PhD Students". Therefore, necessary amendments where required in the document have been made accordingly.

Recommendation:

- 147.** It is recommended that both policies, "BU Silver Jubilee Rector's Honour Fellowship Program For PhD Students" ([Appendage-XII](#)) and "BU Incentive-Based PhD Program Policy" ([Appendage-XIII](#)) be ratified by the HERC to fulfill the requirement of BU Statutes 2022 Clause 2.12.3, which states that *"The policies, manuals, and handbooks will be reviewed periodically, and changes shall be incorporated after approval by the respective statutory body (Academic Council/Higher Education & Research Committee)."*

Decision 3409:

- 148.** The both policies, "BU Silver Jubilee Rector's Honour Fellowship Program For PhD Students" ([Appendage-XII](#)) and "BU Incentive-Based PhD Program Policy" ([Appendage-XIII](#)) are ratified by the HERC. *Point Dropped.*

Summary of the Case:

- 149. The first PhD Scholar, Mr. Qaiser Abbas** enrolled in Fall' 2020, successfully completed his coursework, and passed his comprehensive examination in Fall' 2021. He defended his research proposal on 31 August 2022. However, the scholar did not register for his thesis from Fall' 2023 to Spring' 2025. Despite multiple attempts by his supervisor, the PGP Coordinator, HoD Law, and the Principal to contact him, the scholar did not respond.
- 150.** During the 6th FRC meeting (1 October 2024), the scholar was given the opportunity to appear before the core FRC members (Dean, HoD of Law, PG Coordinator, and his supervisor) to explain his lack of communication. Despite several emails sent to him, no response was received from the scholar.
- 151.** In the 8th FRC meeting (26 December 2024), the scholar was provided with another opportunity to contact with the supervisor/PGP Coordinator and an email was sent in which the scholar was given a second chance to appear before the core FRC members (Dean, HoD of Law, PG Coordinator, and the supervisor) to explain his continued absence of communication, however, he did not appear.
- 152. The second PhD Scholar, Ms. Farah Naz** was enrolled in PhD (MS) program in Fall 2016. The Honorable Rector granted 8th year extension w.e.f. 5 September 2023 to 5 September 2024 for the completion of PhD (MS) degree.
- 153.** PGP office processed the case for Foreign Evaluation and during the Foreign Evaluation, One of the foreign evaluators marked the thesis below average with the remarks *"The thesis requires major changes as pointed out in the detailed report. These changes be incorporated, and the revised thesis be sent to me, along with a compliance report"*.
- 154.** Scholar failed to submit the updated thesis with the compliance report for re-evaluation during the maximum time for the completion of PhD (i.e. 8 years).
- 155.** Case was presented in the 26th FRC and FRC recommended the case to HERC for the cancelation of the candidacy of Ms. Farah Naz.
- 156.** Upon recommendation of the FRC, the department processed the case for the cancelation of the candidacy of Ms. Farah Naz through Case File Number: BUKC/MS/2024/076 from the Honorable Rector. The cancellation was approved, and now the case is presented for ratification.

Recommendation:

- 157.** The cancellation of PhD candidacy of the following two candidates is tabled before HERC for ratification/approval:

Scholar Name	Enrollment No.	Deptt. & Campus	In take
Mr. Qaiser Abbas	01-287202-003	Law, BUIC E-8	Fall 2020
Ms. Farah Naz	02-280162-002	MS, BUKC	Fall' 2016

Discussion:

- 158.** Pro-Rector (RIC) inquired whether departments are using the official BU email addresses of PhD scholars for official correspondence. Dean Law informed that the Department of Law uses both the official BU and personal email addresses of scholars for communication. Pro-Rector (RIC) further asked whether Ms. Farah Naz had been called before the FRC to clarify her stance, and if the same was recorded in the minutes of the FRC. PGP Coordinator MS-BUKC informed that Ms. Farah Naz attended the DRC meeting but was not present in the FRC meeting despite official emails and reminder calls. Director PGP added that, as per the FRC minutes, her supervisor had discussed all available options with the PhD scholars.

Decision 3410:

- 159.** Based on FRC's recommendation and BU PhD Rules, HERC approved termination of PhD Student Candidacy of following TWO (02) PhD from BUIC E-8 and BUKC and transcript be issued clearly depicting the degree status as "INCOMPLETE."

Approval Authority: Higher Education Research Committee (HERC)
Status: ACTIVE

1. Responsible Party:

- 1.1 Dte. of Research, Innovation & Commercialization
- 1.2 International Office

2. Purpose:

- 2.1 Universities are considered as a hub of knowledge that produce/create innovative technologies/solutions for the welfare of society. The dream of a standard and demand driven education can only be materialized if the academics and research pursuits of universities are in line with what is required for industries at national and international levels.
- 2.2 To see the bigger picture and impact on the economy, collaborative research with foreign faculty/researchers has its own significance/advantages to standardize and globalize the research. This results in the form of improvement of the research portfolio and outreach of Bahria University.
- 2.3 In view of the strategic plan of Bahria University, this policy would cater to international level research collaborations.

3. Scope:

The policy is applicable to all BUFGMs/approved Research Groups/Research Centers/CoEs.

4. Policy Statement:

- 4.1 BUFGMs/approved Research Groups/Research Centers/CoEs shall strive to add foreign researchers in their domain, preferably from a partner university, in the relevant field. The engagement of foreign researchers shall be in the form of joint research publications and projects, consultancy, honorary membership of PhD student advisory committee and PhD theses evaluation.
- 4.2 Write joint project proposals for acquiring research funding from international funding agencies and programs of national funding agencies (*where foreign collaboration is allowed*).
- 4.3 BUFGMs/Departments/Schools shall continuously strive for international collaborations and research projects in with partner universities that are funded by organizations such as British Council, USEFP, USAIDs and International Global Networks whose memberships are held by the University.
- 4.4 Foreign researchers shall be added in the list of international reviewers of BU Research Journals.

- 4.5** Faculty from International Universities be engaged in relevant research activities at Bahria University for a short duration on part time or adjunct basis. In addition, own resources, may also be considered for funding such activities.
- 4.6** Foreign faculty/researchers shall be requested to participate in research conferences, seminars and workshops organized by BU. Mode of video conferencing shall be used to make such events more cost effective for the university, where possible.
- 4.7** BU will award 20% additional cash award under the purview of BU cash award policy for ISI indexed impact factor publications, if the paper is published in collaboration with any foreign researcher. The name of foreign collaborator shall be mentioned in the list of authors.
- 4.8** International Office, BUHO shall provide all possible support to FMs/researchers for collaboration with partner foreign universities of BU.

5. Reporting Mechanism

- 5.1** All departments shall maintain the list of all foreign research collaborators along with their affiliation and their contributions in different departmental research activities.
- 5.2** Principals/Directors CUs shall submit Bi-Annual Performance Report prepared in light of the parameters mentioned in Clause-4 of the policy along with the list of foreign research collaborators to the Dte. of RIC for the perusal of the Pro-Rector (RIC) by 31st December and 30th June each year

BUORIC-P15 – Consultancy Policy

Policy Number: BUORIC-P15
Policy Title: Consultancy Policy
Approval Authority: Higher Education Research Committee (HERC)
Status: ACTIVE

1. Responsible Party:

- 1.1. Higher Education Research Committee (HERC)
- 1.2. Office of Research, Innovation & Commercialization (ORIC)

2. Purpose

- 2.1 Consultancy offers faculty a valuable opportunity for ongoing education and gaining relevant experience in their professional fields beyond the university settings.
- 2.2 Through consultancy and other relationships with industry, business, not-for-profit organizations, government and others outside the University, its faculty members can transfer knowledge from University to the public good and can meet the individual's and the institution's obligation of public service.
- 2.3 Consultancy activities can bring fresh insights into BU classrooms.
- 2.4 The University benefits in its ongoing relationships with the local, regional, national, and international communities it seeks to serve.

3. Policy Statement:

- 3.1 This policy encourages FMs to engage in consultancy work for external agencies, with compensation, aiming to facilitate the transfer of knowledge acquired through university research for societal advancement as long as these commitments do not interfere with the performance of regular University duties and the procedures and other requirements of this policy are followed.

4. Definition of Consultancy

- 4.1 Consultancy under this policy shall be construed in the broad sense as professional activities to outside organizations the faculty members get engaged in within the area of their expertise for compensation such as, but not necessarily limited to advising, performing analysis, testing or assaying, system formulation and documentation, or similar work performed in addition to the faculty members' responsibilities as full-time BU employee.
- 4.2 However, outside activities or titles that constitute or imply managerial or supervisory responsibility are not allowable as consultancy relations. Faculty must avoid titles that include terms such as executive, officer, director, manager, or chief as they imply or indicate management responsibilities and create real or perceived conflicts of commitment.

5. Exclusion from Consultancy Definition

The following outside professional activities shall not count as outside consultancy commitments defined under this policy though an honorarium or equivalent is forthcoming.

- Scholarly communications in the form of books, movies, television production, art works, etc.

- Service to national commissions, governmental agencies and boards, granting agency peer review panels, philanthropic organizations or charities, professional societies, visiting committees or advisory groups to other universities etc. Such outside services and activities are covered under the BU Faculty Participation in Academic and Professional Organizations Policy.
- Giving occasional lectures and speeches, participation in colloquia, symposia, site visits, study sections, and similar gatherings sponsored by governmental agencies, non-profit higher education institutions or non-profit entities organized solely for educational religious, philanthropic, or research purposes
- Peer review of articles of articles and grant proposals
- Editorial services for educational or professional organizations

6. Consultancy Streams

a. Consultancy Acquisition and Utilization of BU Specialized Resources			
The Faculty Member shall have to acquire consultancy endeavors from the industry through his own peer network/competitive process. However, FM shall not be eligible to utilize specialized material and non-material resources from BU for successfully undertaking the consultancy endeavor.		BU will arrange consultancy endeavor(s) for the faculty members through its own peer network OR FM acquires consultancy endeavors from the industry through his own peer network/competitive process whilst requiring specialized material and non-material resources from BU.	
b. Financial Distribution			
Income from consultancy services shall be shared between the faculty member undertaking consultancy and the BU in the ratio of 90:10 respectively.		Income from consultancy services shall be shared between the faculty member undertaking consultancy and the BU in the ratio of 60:40 respectively.	
c. Nature of Consultancy Agreement			
- Consulting agreements between faculty member and outside entities shall be of personal nature to which the BU shall not be a party. - Neither the faculty member nor the company for which he/she consults may use the BU name, logo and letterhead in connection with the consultancy services, except that the faculty member shall use the BU name in identifying in his/her title. - The faculty member may also not speak, act, or make representation on behalf of the BU during the course of consultancy process, nor may he or she express University endorsement in relation to the outside activity.			
d. Time Allocation			
The workload of faculty members performing consultancy of different magnitude shall be reduced as follows:			
Consultancy Amount (Rs.) per Six Months	Number of Hours Reduced		No. of Courses Reduced

0.5 Million to 0.75 Million	8 Hours per week	Nil
> 0.75 Million to 1.00 Million	12 Hours per week	Nil
> 1.00 Million	16 Hours per week	One
- The incentive of reduction of number of hours to be spent at campus and course load reduction can only be availed in one semester (on the discretion of the FM/Researcher) throughout the entire duration of the consultancy project. - Safeguards against use of BU facilities and work-force shall be instituted on case-to-case basis to ensure that the performance of BU duties and its scholarly mission are not compromised.		
e. Approving Authority		
- The cases of consultancy shall be sent to Dte of RIC, BUHO from Director (Admin)/Director Campus/Director CU (where applicable) for the approval of the any consultancy undertaken with the industry, course Load waiver and relaxation in working hours by the Honorable Rector. - The cases of consultancy be forwarded by the Campuses/CUs on priority in a minimal time to BUHO. - Director CU shall have to submit quarterly report in this regard to ORIC – BUHO.		
f. In case External Resource Person is Hired by BU		
In case external resource person is hired for any Consultancy Endeavor(s), the payment of honorarium or profit-sharing mechanism will be decided on case-to-case basis by the Honorable Rector.		

7. Conflict of Interest and Responsibility of Faculty Members

- 7.1** Faculty members must acknowledge that outside professional consultancy is a privilege and not a right, it shall not be undertaken if such consultancy interferes with the discharge of a faculty member's duties and responsibilities to the BU.
- 7.2** Since it is not possible to provide specific rules covering all possible situations of conflict of interest, in general, personal responsibility, integrity, and high ethical standards on part of the faculty members shall be the principal guides in avoiding conflicts of interest and commitment.
- 7.3** The faculty members must accept the responsibility to adhere to the consultancy time limit and arrange their work in such a way that the consultancy commitments do not compromise their substantive BU responsibilities. For instance, the faculty members must make sure that no class rescheduling takes place owing to consultancy time off from the campus.
- 7.4** Essential to the effectiveness of this procedure shall be the complete disclosure of outside consultancy activities. So, it shall be obligation of faculty members to keep their department heads continually informed inadequate detail as to all outside consultancy activities.

8. Policy Violation/Sanctions

- 8.1** Violations of this policy include, but are not limited to:

- Failing to get prior approval for the consultancy endeavors from the Competent Authority
- Filing an incomplete, erroneous, or misleading documents for acquiring approval
- Failing to provide additional information as required by the approving authority
- Indulging in conflict of interest in various forms and shapes
- Non-compliance with any of the restrictions outlined in this policy

8.2 Violations of this policy may result in denial of approval for consultancy activities and also may be the basis for conducting employee disciplinary action by BU.

9. Approval Procedure

9.1 Head of Department shall review Consultancy Approval Form in consultation with the Principal/director admin/ campus to ensure that:

9.1.1 The proposed consultancy activity falls within the definition of consultancy

9.1.2 Does not involve participation in day-to-day operations within a commercial enterprise, or assumption of a key, continuing role in managerial or technical efforts of a commercial enterprise.

9.1.3 The consultancy relationship is not likely to interfere with the faculty member's primary BU obligations, nor is it likely to undermine the morale or academic integrity of the University.

9.2 The faculty member shall submit draft consultancy agreement to the Head of Department who shall examine the draft agreement in consultation with the Principal and the Director Admin/Academics of Campus for its compliance with the provisions of this policy and shall process the same through Principal/Director Admin/Campus to ORIC for the approval of the Rector. However, if at any stage during the review of the Consultancy Approval Form or draft consultancy agreement, it is determined that the proposed activity is incompatible with this policy, the faculty member shall be informed of that decision. In such case, the faculty member shall not proceed with the proposed activity.

10. Maintenance of Record, Monitoring and Reporting

10.1 The Head of Department shall maintain record of completed Consultancy Approval forms and consultancy agreements of all faculty members engaged in outside consultancy. A copy of these documents shall also be submitted to ORIC through the Head of Campus.

10.2 The Head of Department shall maintain record of the time and effort spent by the faculty members in providing the consultancy services, and the number of junior faculty members and students engaged for this purpose.

10.3 The Head of Department shall maintain a special overview of outside consultancy, monitor the extent of such interactions and assess their impact on the primary functions of the BU – teaching, research, and service to ensure that this overload activity promotes BU social agenda and does not interfere with the faculty member's substantive duties.

10.4 The Head of Department shall also send a copy of consultancy agreement to the BU Campus accounts office for maintaining an account of BU share of consultancy income.

Approval Authority: Higher Education Research Committee (HERC)
Status: ACTIVE

1. Responsible Party:

Office of Research, Innovation & Commercialization (ORIC)

2. Purpose:

The purpose of this policy is to provide support to BU FMs/Researchers in terms of reduction of their regular course load with an aim to provide support in different R&D endeavors

3. Scope:

All Principal Investigator(s)/Team Member(s) of the funded research projects Principal Supervisor(s) of Consultancy Endeavors and Author(s) of Research Papers can apply for the request of reduction in course load.

4. Policy Statement:

4.1 Course Load of BU FMs/Researchers will be reduced for the following **Three Streams** of R&D endeavors:

4.1.1 Funded Research Projects:

The course load of the FMs/Researchers involved in the sponsored research projects will be reduced in the following manner: -

Funding Acquired (in Rupees)	No. of Courses Reduced*
2 Million – 7 Million	One
>7 Million	Two

* Only one person will be allowed from the project team to avail the course load concession for the duration pertaining to the implementation period of the project as approved by the funding organization

4.1.2 Acquisition of Consultancy from Industry:

The workload of FMs/Researchers performing consultancy of different magnitude will be reduced for the entire duration of consultancy endeavor in the following manner:

Consultancy Amount (Rs.) per Six Months	Number of Hours Reduced	No. of Courses Reduced
0.5 Million to 0.75 Million	8 Hours per week	Nil
> 0.75 Million to 1.00 Million	12 Hours per week	Nil
> 1.00 Million	16 Hours per week	One

4.1.3 Publication of Research Papers

4.1.3.1 The course load of BU FMs will be reduced only from “4 to 3” courses who publishes at least ONE Impact Factor research publication among first three authors and only one affiliation of BU in the preceding academic year for the succeeding **ONE SEMESTER only**.

4.1.3.2 For Humanities & Social Sciences, Medical and Psychology faculties, the researcher course load will be reduced from “4 to 3” courses only who publishes at least THREE research papers in HEC X/Y category among first three authors and only one affiliation of BU in the preceding academic year for the succeeding **ONE SEMESTER only**.

4.1.3.3 Publication claimed for cash award/publication fee shall not be re-claimed for course waiver under course reduction policy and vice versa. One FMs from first three authors of one research paper to avail course load reduction.

4.1.3.4 Course load waiver cases against research papers shall be approved before allocation of courses at department/campus level before commencement of semester.

4.1.3.5 All FMs/Researchers shall have to teach at least ONE Course Load during the semester after availing all the waivers through different streams.

5. Procedure

5.1 The application for the reduction in course load shall be submitted on the prescribed application forms to the ORIC Directorate of BUHO through respective Director Campus for Scrutiny/verification which will be processed further for the approval of the Honorable Rector through Director QA and Pro-Rector (RIC).

5.2 The cases of consultancy shall be sent to Dte of RIC, BUHO from Director (Admin)/Director Campus/Director CU (where applicable) for the approval of the any consultancy undertaken with the industry, course Load waiver and relaxation in working hours by the Honorable Rector

BUORIC-P07 – Policy for Travel Grant

Policy Number: BUORIC-P07
Policy Title: Travel Grant Policy
Approval Authority: Higher Education Research Committee (HERC)
Status: ACTIVE

6. Responsible Party:

6.1 Office of Research, Innovation & Commercialization

7. Purpose

7.1 To extend financial support to faculty members of BU to present their research work at reputed international conferences.

7.2 To share academic and research experiences and achievements at international level.

7.3 To share scientific ideas with international research community and get exposure to latest trend and techniques in research.

7.4 To explore opportunities for national academic and research collaborations.

8. Scope:

8.1 All regular Faculty Members who have not availed any travel grant from HEC or BU in the past One Year can apply for availing travel grant funding for attending qualifying international conferences from BU.

8.2 BU will provide BU will provide the travel grant funding as per the following criteria:

3.2.1 Rs. 500,000 for Conferences having Paper Acceptance Ratio (PAR) $\leq 20\%$

3.2.2 Rs. 300,000 for Conferences having Paper Acceptance Ratio (PAR) $\leq 30\%$

3.2.3 Rs. 200,000 for Conferences having Paper Acceptance Ratio (PAR) $\leq 40\%$

8.3 BU will also provide the Registration Fee of the International Conference upto Rs. 100,000/- to attend online (in case of online conferences).

9. Criterion

9.1 BU will consider providing funding support to its FMs whose research papers were accepted in Top International Conferences directly organized OR supported by leading professional body of relevant disciplines (such as IEEE, ACM, AAAS, AEA, etc.) and whose papers are peer reviewed, archived AND have an acceptance ratio as per para-3.2.

10. Procedure

10.1 Committee Formulation

A committee is constituted to assess and recommend the travel grant applications of the qualifying FMs in light of criterion mentioned in Para-4 to the Honorable Rector for soliciting Competent Financial Approval.

10.2 Committee Composition

Designation	Status
Pro-Rector – RIC	Chairperson
All Deans	Members

Treasurer
Director ORIC

Member
Member/Secretary

Committee Mandate

10.2.1 The committee will meet on case-to-case basis through Video Link Conference under the Chairmanship of Pro-Rector – RIC, BU.

10.2.2 The committee will assess all travel grant applications strictly on the basis of criterion mentioned in Para-4

10.2.3 The Minutes of the Meeting shall be properly recorded by the Secretary and the same be processed on file for soliciting the Competent Financial Approval from Honorable Rector.

10.3 Application Procedure

10.3.1 FMs shall submit application for travel grant funding to attend international conference on prescribed application form at least 15 (fifteen) days before the conference date to the Dte. of RIC through respective office of Head of Constituent Unit.

10.3.2 FM can avail of only one travel grant for attending a conference in person and one for participating in an online conference in the respective fiscal year.

10.3.3 The Travel Grant will be awarded subject to the availability of funds in respective FY under Travel Grant Policy.

10.4 Approval Procedure

10.4.1 Travel grant applications received from all Campuses of BU will be presented by Director ORIC to the committee for deliberations and decision.

10.4.2 The committee will recommend acceptance/rejection of the travel grant applications to Honorable Rector on the basis of BU's policy at vogue, number of applications already funded in a given department/faculty and status of availability of funds.

10.4.3 Upon approval by the Honorable Rector, Director ORIC will issue a sanction letter in the name of Head of CU for release of Travel Grant Advance in the name of FM.

10.4.4 Upon rejection, Director ORIC will email the rejection intimation to the applicants for their information.

10.5 Advance Adjustment Procedure

10.5.1 The faculty member who was awarded the funding shall submit the Post Conference Visit Report on the prescribed Application Forms along with Expenditure Reimbursement Form supported by all needful supporting documents (including conference proceedings, original boarding passes, copy of certificate etc.) duly endorsed from relevant offices within ONE MONTH of the conference to ORIC – BUHO.

Preamble

The Center of Excellence in Artificial Intelligence (CoE-AI) was established to lead advancements in AI research and innovation at Bahria University, with its approval granted on 21st December 2021 and formal inauguration on September 5, 2022. Initial approvals for CoE-AI were based on a concept paper (Appendix A) supported by case files and presentations. While the concept paper includes extensive background details relevant at the time of establishment, it is no longer practical to use it as a point of reference now that CoE-AI is fully operational. Therefore, a consolidated document is necessary to serve as a unified reference. This compendium fulfills that need, providing a single reference point for CoE-AI's vision, mission, goals, structure, and approved policies from the concept paper. It includes only procedures that have already been formally approved by the relevant authorities, ensuring clarity and consistency. For all other matters, Bahria University's policies and statutes remain fully applicable and are not superseded by this document.

1. Vision, Mission and Goals

Vision, Mission and Goals	Rector BU (V/Adm Kaleem Shaukat)	BU-HO/DES/2021/035, Reg. Notification No. 68/2021	21 st December 2021

1.1 Vision

To achieve excellence in Artificial Intelligence research and innovation and contribute to the betterment of the mankind.

1.2 Mission

To pursue advancement in core AI technologies, develop innovative AI solutions, facilitate collaborative **endeavors between academic and business partners and nurture highly skilled AI competence.**

1.3 Goals

- To become a prominent hub of AI research and competence.
- To advance AI technologies and provide innovative AI-based solutions for our local needs.
- To explore the possibilities of technology commercialization and licensing.
- To cultivate strategic partnerships with industrial, academic, and public sector organizations.
- To orchestrate collaboration between academia and businesses and facilitate National and International cooperation in AI.
- To design and conduct top notch trainings in Artificial Intelligence for students, researchers, and strategic partners.
- To develop highly skilled workforce equipped with the latest AI technologies and capable of meeting the challenges of AI driven future.
- To facilitate the establishment of AI-based start-ups.
- To evolve into a self-sustaining facility through grants, consultancy, products, and services.

Center of Excellence – Research Centers and Key Themes	Rector BU (V/Adm Kaleem Shaukat)	BU-HO/DES/2021/035, Reg. Notification No. 68/2021	21 st December 2021

In order to build an effective and efficient innovation ecosystem of the AI CoE, suitable research centers need to be established under its umbrella. A set of core AI enabling and applied technologies are essentially required to be launched from BU's AI CoE to achieve international significance through excellence in Artificial Intelligence. Furthermore, the research endeavors in the enabling and applied technologies must be converted to services and product allowing commercialization of the AI research. In this regard, the following research centers would be under the CoE (Figure 1).

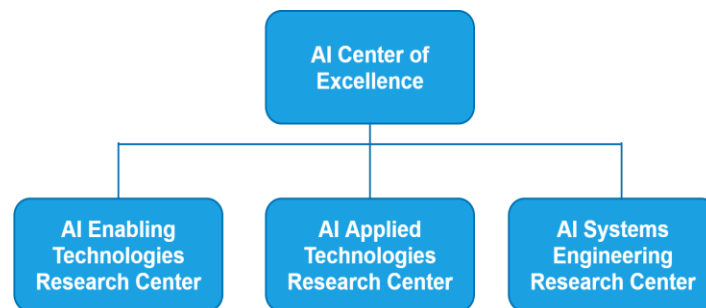

Figure 1 Research Centers under Center of Excellence in AI

2.1 AI Enabling Technologies Research Center

The AI Enabling Technologies Research Center will target excellence in various multidisciplinary enabling technologies in multiple wings as outlined in Figure 2.

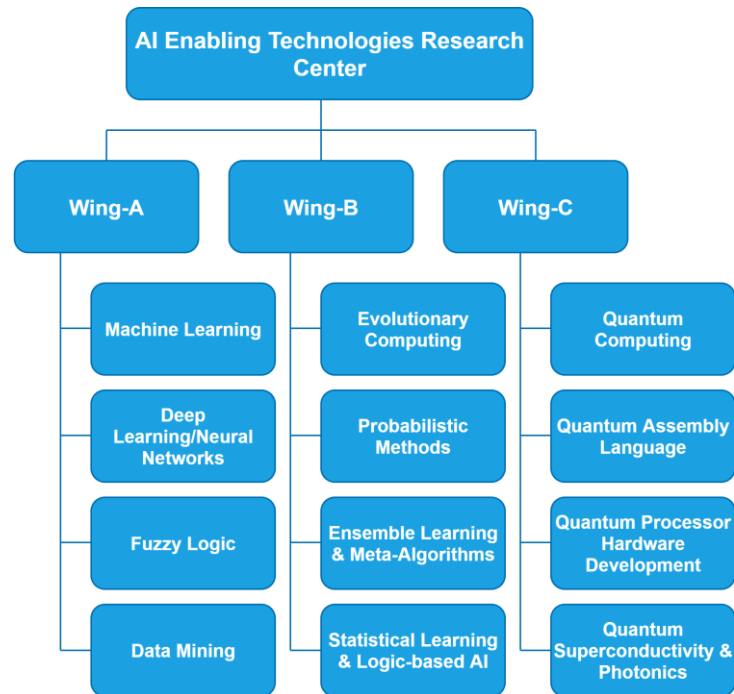

Figure 2 AI Enabling Technologies Research Center

2.2 AI Applied Technologies Research Center

The AI Applied Technologies Research Center will carry out research and development in various multidisciplinary applied technologies as summarized in Figure 3 .

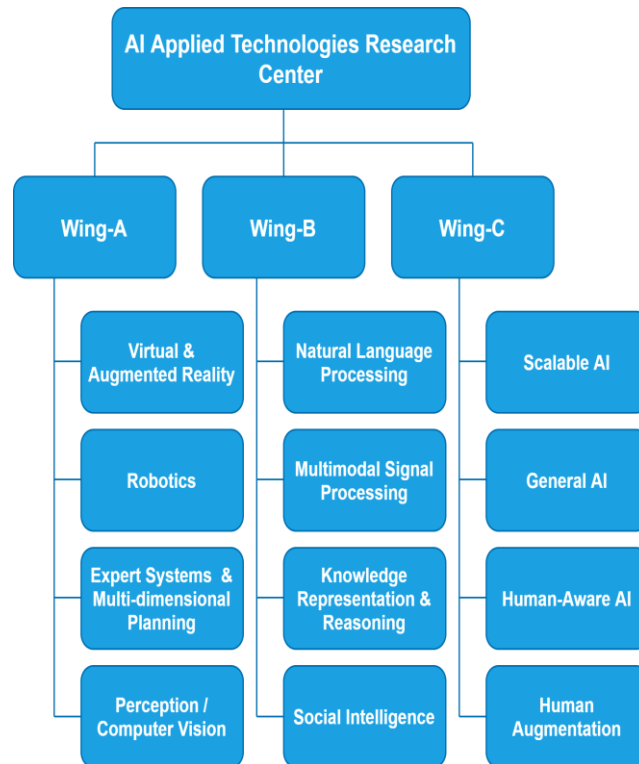

Figure 3 AI Applied Technologies Research Center

2.3 AI Systems Engineering Research Center

Engaging various sectors for commercialization of research requires an AI Systems Engineering Research Center at the CoE. The center would require researchers having expertise in systems engineering, substantial knowledge of AI's core technologies, and knowhow about the needs of relevant sectors. Structure of this research center is outlined in Figure 4.

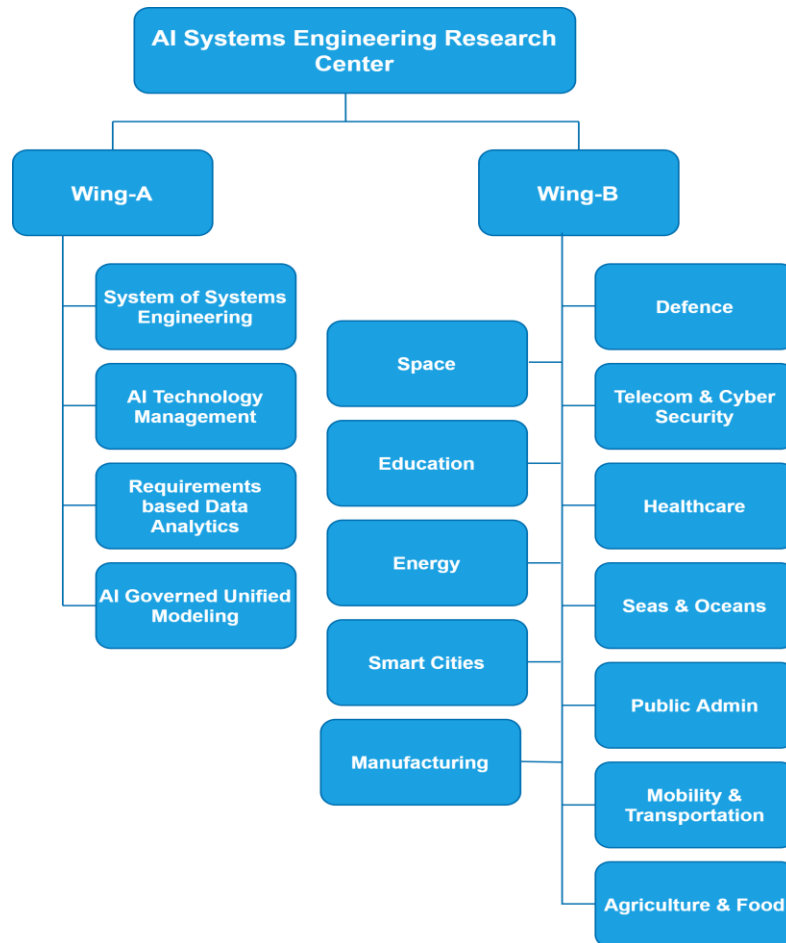

Figure 4 AI Systems Engineering Research Center

3. Research Students and Interns

Section	Approved By	File/Case Number	Original Approval Date
Research Students and Interns	Rector BU (V/Adm Kaleem Shaukat)	BU-HO/DES/2021/035, Reg. Notification No. 68/2021	21 st December 2021

Graduate research students and UG interns will play a vital role in the R&D activities of the center. Research problems will be assigned to MS and PhD scholars from the platform of the center rather than individuals. These research problems will eventually contribute as potential modules of various projects or solutions. Offered MS theses can also serve as exploratory studies for problems to be investigated by PhD scholars. Furthermore, the center will offer summer **Internship Program** to UG students who will be assigned the implementation modules of on-going projects. Working on various projects as a part of the Internship will not only equip our students with the latest technologies and skills, it will also prepare them for a meaningful final year project (FYP) and eventually for the market/entrepreneurship.

184. Training Programs

Section	Approved By	File/Case Number	Original Approval Date
Training Programs	Rector BU (V/Adm Kaleem Shaukat)	BU-HO/DES/2021/035, Reg. Notification No. 68/2021	21 st December 2021

The center will organize specialized workshops, training programs and short courses encompassing the theoretical as well as practical aspects of different AI related themes. The target attendees of such events would be research students as well as industrial personnel. Members of the center can serve as resource persons and if required, partner organizations can also contribute to provide relevant resource persons. **Leadership Development Center (LDC)** of Bahria University will also be involved in organization of different technical events and workshops. Such events, in addition to imparting AI related technical skills, are also likely to open doors for new collaborations.

185. Organizational Breakdown Structure (OBS)

Organizational Breakdown Structure(OBS)	Rector BU (V/Adm Kaleem Shaukat)	BU-HO/DES/2021/035, Reg. Notification No. 68/2021	21 st December 2021	By Rector BU (V/Adm Asif Khaliq) BU-HO/Reg/2023/L/625	29 th November 2023	CoE-AI placed under the functional and administrative control of the DGIC, replacing the Pro-Rector RIC.

To meet the challenge of excelling in AI an effective and efficient OBS of CoE-AI is required to be established. Highly qualified and experienced workforce is needed to setup and operationalize the research centers presented with a strategic picture in the previous sections. In order to make the CoE innovative and self-sustaining, its research centers are to be manned with leaner workforce while engaging substantial number of faculty and students in its activities. The organogram of the center is illustrated in Figure 5 .

186. Human Resource

Section	Approved By	File/Case Number	Original Approval Date	Revision Reference Number	Revision Date	Reason for Revision
Human Resource	Rector BU (V/Adm Kaleem Shaukat)	BU-HO/DES/2021/035, Reg. Notification No. 68/2021	21 st December 2021	By Rector BU (V/Adm Asif Khalique) BU-HO/DHR/2024/L/9827	24 th July 2024	The titles of Research Associate and Research Assistant is replaced with 'Researcher' to get aligned with BU Statutes

The human resource of the center will mostly comprise of the existing faculty members of BU, MS/PhD research students and UG Interns. Since all the aforementioned will be involved in their academic assignments as well, four full-time Researchers are included as a part of the center team. The hired (technical & non-technical) resources will be full time employees of BU (with benefits of BU employees) and will be paid from the recurring budget of the center for the first two years. Later, once the center has acquired research grant(s)/funded project(s), the research associate/assistants may be gradually involved in the acquired projects. Detail of the human resource associated with the center is as follows.

SNo.	Appointment	Number	Remarks
RESEARCH STAFF			
1.	Director CoE-AI	1	Having sound academic record and rich expertise in the diverse domains of research centers of AI.
2.	Heads – Research Centers	3	BU FMs with expertise in respective AI themes related to specific research center.
3.	Faculty Members	6	BU FMs with research interests in specific themes related to AI Enabling Technology, AI Applied Technology and AI Systems Engineering research centers.
5.	Researcher	4	Researchers for algorithmic development – To be hired by the center
6.	PhD Student	1	Full-time PhD Candidate enrolled in a PhD program at BU and conducting research in AI
7.	MS Thesis Students	3/year	MS research students conducting research in AI-based themes
8.	UG Interns	6/year	FYP Students as well as summer Internships
NON-TECHNICAL SUPPORT STAFF			
9.	Lab Manager/PA	1	Support staff for the Director/Heads
10.	Office Boy	1	Dedicated office boy for the center
11.	IT Support Staff	1	Existing IT Staff to be Assigned to the center

PER Channel and Procedure	Rector BU (V/Adm Asif Khaliq)	BU-HO/DHR/2024/L/10068 BUIC/COEAID/2024/085	22 nd August 2024

During the tenure of FMs appointed in CoE-AI, their Annual Evaluation Reports (AER) be jointly completed by Director CoE-AI and the respective HoD. This will ensure a collaborative and comprehensive assessment process.

The FM appointed in CoE-AI will complete the first part of AER.

The second part will then be independently completed by the respective HoD and Director CoE-AI.

Both filled AERs will be forwarded to the DG IC for a consolidated evaluation.

BUORIC-P26 – Policy on BU Research Laboratories/Centers of Research Excellence/Research Institutes

Policy Number: BUORIC-P26

Effective Date: 18th June, 2025

Policy Title: Policy on BU Research Laboratories/Centers of Research Excellence /Research Institutes

Approval Authority: Rector and Higher Education & Research Committee (HERC)

1. Responsible Party:

- Office of Research, Innovation & Commercialization (ORIC).
- All Heads of CUs.

2. Definitions: In this policy, the terms Research Laboratory, Center of Research Excellence, and Research Institute shall collectively be referred to as '**Research Facilities**,' and individually as '**Research Facility**.' The definitions of the same are as follows:

2.1 Research Laboratory (RL): A Research Laboratory (RL) is a facility dedicated to conducting scientific research, experiments, and investigations aimed at making new discoveries or advancing knowledge within a defined discipline.

2.2 Center of Research Excellence (CORE): A Center of Research Excellence (CORE) is a structured unit, independent of departments/schools, that promotes collaborative and interdisciplinary research, training, and knowledge dissemination. It focuses on specific research areas (applied/basic) and engages with industry to drive innovation and real-world impact resolutions.

2.3 Research Institute (RI): A Research Institute (RI) is a formally established entity that operates with the primary goal of advancing knowledge, fostering innovation, and addressing complex societal, scientific, technological, industry or policy-related challenges. A research institute is inherently interdisciplinary and collaborative, drawing on the expertise and resources of multiple faculties, departments, schools and external partners to achieve transformative outcomes.

3. Objective: The primary objective of this policy is to provide a comprehensive framework for the establishment, governance, operation, upgradation and discontinuation (*where applicable*) and incentives offered to Research Facilities at

Bahria University to support their sustainable growth and impact with expected more revenue streams.

4. Criteria for Establishing a Research Facility

4.1 Research Excellence & Innovation: The proposed Research Facility must align with the vision and strategic objectives of Bahria University, demonstrating a commitment to excellence in research, innovation, and commercialization.

4.2 Interdisciplinary Nature: Research Facilities should encourage collaborations, bring together faculty members, researchers and industrial experts from different Departments/Schools/Faculties/Industries to address complex challenges.

4.3 Relevance to SDGs, National and Strategic Objectives: The specific areas of the research, pertaining to Research Facilities, should align with SDGs, national priorities and contribute to the strategic objectives of Bahria University.

4.4 Qualified Team: The Research Facility must have a team of highly qualified faculty and researchers with a proven track record of research publications, projects and Intellectual Property Rights (IPRs) in the proposed field.

4.5 Infrastructure & Resources: Adequate resources and infrastructure, including space, meeting room, equipment, laboratory, computing/internet access must be planned to support the activities of research facilities.

4.6 Focus on Knowledge & Technology Transfer: Emphasize knowledge transfer through workshops, seminars, and community outreach programs to promote the practical application of research findings. Emphasis will be on the generation of Intellectual Property Rights (IPRs) and effective commercialization pertaining to industry driven propositions, establishing robust connections with industries, and fostering collaboration with Technology Innovation Support Center (TISC)-BU.

5. Approval Process

5.1 Proposal Submission

5.1.1 CUs will submit a detailed proposal outlining the vision, mission, objectives, expected outcomes, budgetary (initial and recurring)/resource requirements as mentioned in Clause 4 and sustainability plan along with business model of the proposed research facility to Dte. of RIC through respective Heads of CUs on the prescribed Template attached as **Annexure-I**.

5.1.2 Proposals for establishing research facilities may originate from either Constituent Units (CUs) as independent initiatives, or the Bahria University Head Office (BUHO) through formal directives.

5.2 Evaluation & Approval Mechanism

5.2.1 An Evaluation Committee comprising the following members to assess proposals for new research facilities:

Pro-Rector (RIC)	-	President
Director ORIC	-	Member/Secretary
Director Technology Development	-	Member
Respective Director CU/s	-	Member
Director Research/DD Research CU/s	-	Member
Respective Dean/Principal	-	Member
Subject Expert	-	Member

5.2.2 The above committee will evaluate the proposal based on the vision, mission, objectives, expected outcomes, budgetary/resource requirements as mentioned in Clause 4.5 (initial and recurring), and sustainability plan along with business model of the proposed Research Facility.

5.2.3 The Evaluation Committee's recommendations shall be forwarded through the Directorate of Research, Innovation & Commercialization for final approval by the Honorable Rector.

6. Funding and Resource Allocation

6.1 Initial Funding: The funding mechanism for the establishment of Research Facilities is as follows:

6.1.1 External Sources: Research Facilities may be established through grants or funding provided by local or international organizations, including those from academia, research institutions, and industry. The establishment mechanism will be determined on a case-by-case basis, considering the scope of the grants or collaborations. To ensure long-term financial sustainability, these facilities are expected to actively pursue external funding such as competitive grants, industry partnerships, and collaborations to cover operational expenses beyond the initial two years.

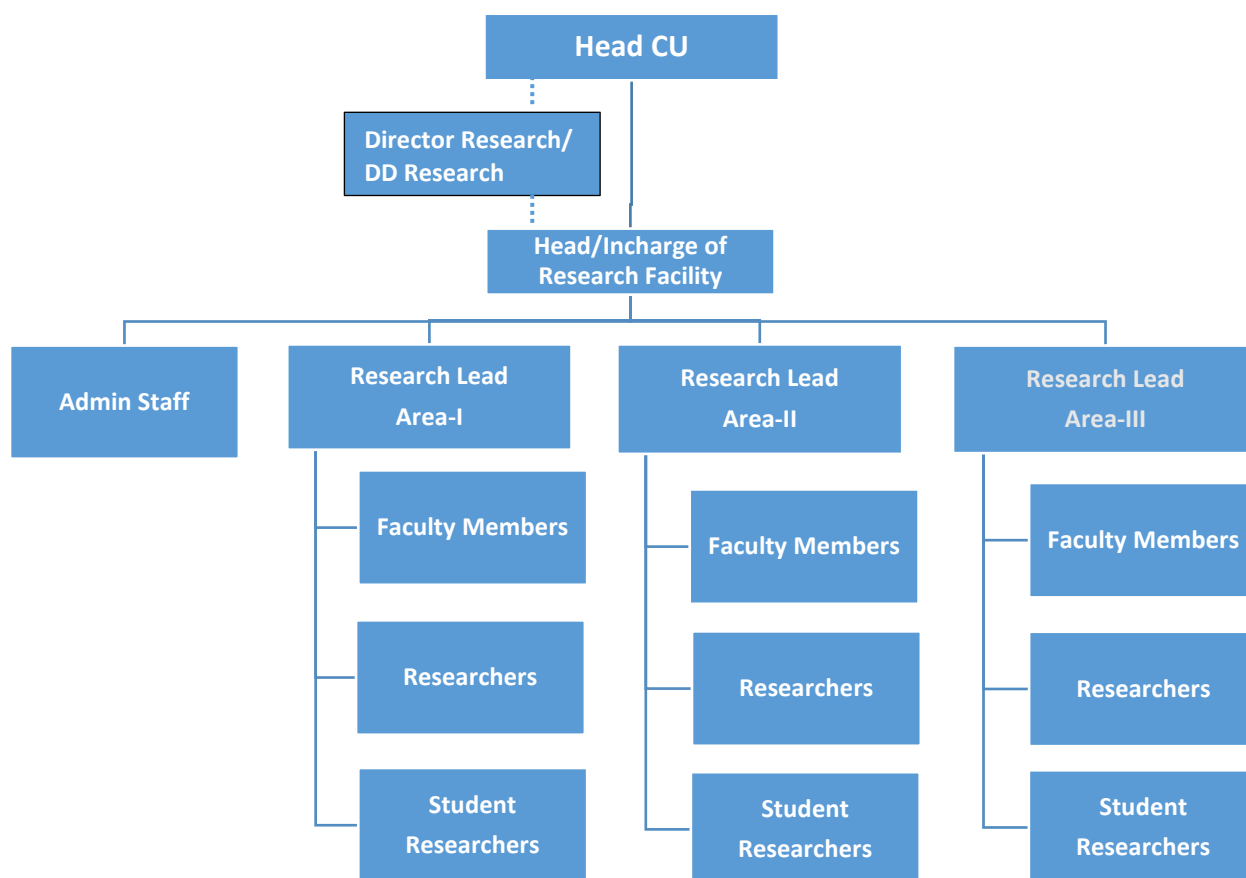

6.1.2 Internal Sources: Bahria University will establish Research Facilities by providing initial funding for infrastructure development, equipment procurement, and operational expenses for the first two years.

7. Governance and Management

7.1 Administrative Staff

7.1.1 Each Research Facility will be led by a Head or Incharge, who will be responsible for its overall management, with support from designated administrative staff.

7.1.2 The organizational structure of the Research Facilities, based on their specific requirements and scope, will be as follows:

8. Performance Evaluation and Monitoring:

8.1 The Constituent Unit (CU) will hold a biannual performance review meeting prior to the Higher Education Research and Committee Meeting (HERCM) to evaluate the current performance of Research Facilities and plan activities for the following six months. The composition of the review committee is as follows:

Head CU	-	President
Director Research / DD Research	-	Member/Secretary
Respective Dean/Principal	-	Member
Subject Expert	-	Member

8.2 The committee will review the functioning of each Research Facility in line with its approved business and strategic plan.

8.3 The respective Constituent Unit (CU) is required to submit a quarterly progress report to the Directorate of Research, Innovation, and Commercialization (ORIC), BUHO through the Head of the CU.

8.4 The Head of Research Facilities must present their progress on bi-annual basis in the HERCM.

9. Funds for Research Facility and Dedicated Bank Account of Research Facility

9.1 The following are relevant to dedicated bank account of Research Facility:

9.1.1 A dedicated bank account must be established for the Research Facility.

9.1.2 The approval for establishment of Research facility by the Rector will be considered as approval for opening/operating of dedicated bank account of Research Facility. Dedicated Bank Account shall be operated jointly by the Rector and the Treasurer in the case of BUHO, and by the Heads of CU and the Manager (Accounts) in the case of CU.

9.1.3 Funds for Research Facilities from BU will be allocated if formally requested within the corresponding Financial Year by the concerned CU.

9.1.4 The Head of each Research Facility shall submit quarterly financial progress reports to the Directorate of ORIC-BUHO for record-keeping and financial oversight and transparency.

9.1.5 Quarterly financial progress report must be submitted by Head of Research Facility to Dte. of ORIC-BUHO for information, record and oversight purposes.

9.1.6 Annual financial audit of Research Facility's Bank Account must be conducted as per defined SOPs of Financial Audit in BUFR.

9.2 Possible Income and Expense Streams

9.2.1 Possible Income Streams: Following will be the main funding sources of Research Facilities:

9.2.1.1 Funds provided by BU/External Funding Agencies for establishment and operations of Research Facilities and subsequent recurring grants.

9.2.1.2 Funds generated through commercialization of Intellectual Property Rights (IPRs) and Products.

9.2.1.3 Income generated from the paid trainings/courses/consultancies conducted by Research Facilities.

9.2.1.4 Rental charges charged on utilization of different infrastructural facilities by external organizations.

9.2.1.5 Funding provided by external funding agencies for executing different research activities through Research Facilities.

9.2.1.6 Funds received as a result of collaboration with local businesses, corporations, and industry stakeholders for sponsorship opportunities.

9.2.2 Possible Expense Streams: Funds will be utilized for achieving the following broad objectives of Research Facilities:

9.2.2.1 Provide funding to cover establishment and operational costs, procurement of research equipment and consumable supplies, product development, and marketing.

9.2.2.2 Financially support arrangement of workshops, seminars, and training sessions focused on specialized domains of Research Facilities.

9.2.2.3 Organize networking events, research-based competitions, and conferences to connect researchers.

9.2.2.4 Provide funding for Research Facility Management to attend research conferences, events, meetings & roadshows held nationally and internationally, enhancing their visibility and networking opportunities.

9.2.2.5 Subscription/Certifications cost of any dedicated software tools, professional societies, and forums by the Research Facilities.

10. Ethical Conduct

Researchers at Research Facilities are anticipated to fulfill all administrative obligations and responsibilities assigned by BU/Head of Research Facilities. In a parallel manner, Head of Research Facilities are also expected to uphold the highest ethical standards and oversee the conduct of the team under his/her supervision.

11. Discontinuing of a Research Facility: Evaluation Committee at Clause 5.2.1 may recommend the discontinuation of a Research Facility for approval by Rector based on one or more of the following factors:

11.1 The research facility is unable to meet the targets defined in approved business plan.

11.2 The research facility lacks financial/technical viability.

11.3 Duplication of research efforts with other existing units, leading to inefficiency or redundancy.

11.4 Persistent non-compliance with BU policies, regulatory requirements, or ethical standards.

11.5 Key faculty or researchers have left and the facility is unable to attract or retain qualified personnel.

11.6 Inadequate utilization of resources, infrastructure, or facilities.

11.7 Recommendations arising from external peer review or audit reports.

12. Incentives for Research Facilities: Incentives to the researchers/personnel of the Research Facilities will be provided in line with the approved BU Policies.

13. Trainings: Trainings to be conducted by Research Facilities must be aligned with the approved BU Policies.

PURPOSE OF BIC POLICY MANUAL

The purpose of a Business Incubation Center (BIC) Policy Manual is to provide a structured framework for BIC's operations, outlining its objectives, selection criteria, and procedures to ensure effective support for startups and entrepreneurial initiatives. It defines the BIC's mission, while specifying eligibility requirements for incubation and detailing the roles and responsibilities of both BIC's management and incubated businesses.

The policy manual is subject to periodical review and amendments. BIC reserves the right to make an exception of all or any of the terms of this policy manual.

INTRODUCTION

BIC is a strategic initiative of BU which is designed to nurture early-stage startups, foster innovation, and promote entrepreneurship among students, faculty, and the broader community. It provides a supportive environment where aspiring entrepreneurs can turn their ideas into viable businesses by offering essential resources, mentorship, and networking opportunities. BIC plays a crucial role in translating academic research and innovative concepts into market-ready products and services, contributing to both economic growth and societal advancement.

BIC leverages the diverse expertise available within BU's various disciplines, encouraging cross-functional collaboration. Entrepreneurs from fields such as engineering, technology, business, and humanities come together to develop innovative solutions to complex challenges. By providing access to workspace, funding opportunities, legal and business advice, and connections with industry partners, BIC helps startups navigate the early stages of growth. BIC ecosystem serves as a bridge between academia and industry, fostering the development of future business leaders and driving innovation at the intersection of education and entrepreneurship.

Vision

To be a catalyst for innovation and entrepreneurship, empowering students, researchers, **and professionals across diverse disciplines to transform ideas into impactful businesses.**

Mission

To empower aspiring entrepreneurs and innovators by providing a nurturing ecosystem that bridges academia, industry, and society.

Aim

BIC aims to foster cross-disciplinary collaboration, deliver hands-on mentorship, and offer the resources necessary to transform ideas into sustainable businesses. Through BIC's support, BU strives to drive economic growth, technological advancement, and social impact, contributing to the development of a vibrant entrepreneurial culture in Pakistan.

Objectives

- Encourage students, faculty, and researchers across various disciplines to develop innovative ideas and transform them into viable business ventures.
- Provide comprehensive support, including mentorship, infrastructure, and resources, to nurture startups and small-to-medium enterprises (SMEs) from ideation to market entry and growth.
- Facilitate collaboration between different academic departments, combining diverse expertise to create solutions for complex problems and develop innovative products and services.
- Build strong partnerships with industry, government, and international organizations to create opportunities for knowledge exchange, funding, and commercialization of research.

- Assist incubated startups in securing seed funding, grants, and investment opportunities through venture capitalists, angel investors, and different government initiatives along with facilitating them for completion of all codal formalities for successful running of business(s) through registration with National/International regulatory bodies etc.
- Offer targeted training programs, workshops, and mentorship to develop entrepreneurial skills, leadership, and business acumen among students and aspiring entrepreneurs.
- Play a pivotal role in creating jobs, driving economic growth, and supporting sustainable development in Pakistan by fostering the next generation of entrepreneurs and innovators.
- Encourage the development of socially responsible enterprises that address critical societal challenges, including poverty, education, health, and the environment.
- Promote the use of cutting-edge technology and digital tools to develop scalable solutions and ensure that businesses are equipped to compete in the global marketplace.
- Implement robust monitoring and evaluation frameworks to assess the progress and impact of incubated ventures, ensuring continuous improvement and alignment with BU goals.

BIC AND SUSTAINABLE DEVELOPMENT GOALS (SDGs)

BIC plays a crucial role in supporting the SDGs by fostering innovation and entrepreneurship aligned with sustainable development. BIC encourages incubating those startups that focus on solving real-world problems across various sectors—health, education, energy, environment, and technology for ensuring its contribution to global and local progress toward achieving these goals.

Before graduating the startups, BIC will also map the value addition, undertaken by the incubated startups in the achievement of Sustainable Development Goals and the same will be reported/advertised at appropriate levels for highlighting the contribution of BU by addressing the SDGs dimensions.

Here's how each SDG can connect to the typical objectives of BIC.

- 1.1. SDG 1: No Poverty:** BIC support startups and social enterprises that create job opportunities, boost local economies, and develop solutions for poverty alleviation. Entrepreneurship can empower marginalized communities by providing economic independence. (As per World bank statistics, any country individual earning below \$ 2 falls under the category of below the poverty line. Therefore, at Incubation Stage all startups will ensure a minimum wage of \$ 5 /- per day and at a second stage i.e., Accelerator Stage will be ensuring a minimum wage of \$ 10/- per day).
- 1.2. SDG 2: Zero Hunger:** BIC support aggrotech startups that develop innovative solutions for sustainable agriculture, improve food production systems, and create technologies that help address food security challenges. (As per World bank statistics, any country individual earning below \$ 2 falls under the category of below the poverty line. Therefore, at Incubation Stage all startups will ensure a minimum wage of \$ 5 /- per day and at a second stage i.e., Accelerator Stage will be ensuring a minimum wage of \$ 10 /- per day).
- 1.3. SDG 3: Good Health and Well-being:** BIC supports health-tech startups through fostering innovation in healthcare, such as telemedicine, medical devices, and health-related software, which can improve access to healthcare services and enhance well-being.
- 1.4. SDG 4: Quality Education:** BIC encourages edtech startups that create digital learning platforms, tools, and resources aimed at improving education quality and accessibility, especially in underserved regions.
- 1.5. SDG 5: Gender Equality:** BIC promotes gender equality by providing tailored support for female entrepreneurs, fostering startups that address gender-specific challenges, and ensuring equal opportunities for women in the entrepreneurial ecosystem.
- 1.6. SDG 6: Clean Water and Sanitation:** BIC supports startups that develop innovative water management solutions, clean water technologies, and sanitation products, especially for communities with limited access to these resources.

- 1.7. SDG 7: Affordable and Clean Energy:** BIC supports startups focused on clean energy innovations, such as renewable energy solutions, energy-efficient technologies, and smart grids that contribute to sustainable energy access and usage.
- 1.8. SDG 8: Decent Work and Economic Growth:** BIC supports entrepreneurship, innovation, and business growth, leading to job creation, skill development, and economic growth at local and national levels.
- 1.9. SDG 9: Industry, Innovation, and Infrastructure:** BIC is directly aligned with this SDG by fostering innovation, providing the infrastructure for startups to grow, and promoting industry partnerships. They act as hubs for innovation, research commercialization, and the growth of new industries.
- 1.10. SDG 10: Reduced Inequality:** BIC helps reduce inequality by offering equal access to entrepreneurial resources for underserved populations, including minorities, low-income groups, and rural communities. BIC promote inclusive innovation and entrepreneurship.
- 1.11. SDG 11: Sustainable Cities and Communities:** BIC fosters startups focused on urban planning, smart cities, and sustainability solutions that enhance city infrastructure, improve transportation systems, and create more resilient and sustainable communities.
- 1.12. SDG 12: Responsible Consumption and Production:** BIC supports development of innovative solutions for sustainable production, waste reduction, and efficient resource use, contributing to more responsible consumption and production patterns.
- 1.13. SDG 13: Climate Action:** BIC fosters climate-tech startups that focus on environmental sustainability, carbon reduction technologies, and climate adaptation solutions. These businesses can help address climate challenges and contribute to climate resilience.
- 1.14. SDG 14: Life Below Water:** BIC supports working on marine conservation, sustainable fishing, pollution reduction, and ocean health technologies to address issues related to marine ecosystems and ocean sustainability.
- 1.15. SDG 15: Life on Land:** BIC promotes startups that focus on biodiversity conservation, reforestation, wildlife protection, and sustainable land management, helping to protect terrestrial ecosystems.
- 1.16. SDG 16: Peace, Justice, and Strong Institutions:** BIC promotes transparency, legal tech, or civic tech that improve governance, accountability, and access to justice, contributing to stronger institutions.

1.17. SDG 17: Partnerships for the Goals: BIC promotes partnerships between academia, industry, government, and startups, fostering collaboration that accelerates progress toward achieving the SDGs.

BIC STRUCTURE AND GOVERNANCE

Manager BIC in close consultation with Director ORIC is responsible for the oversight of daily operations of BIC including marketing the facility and recruiting new tenants, providing support to existing tenants, facilitating training for tenants and aspiring entrepreneurs and developing the infrastructure that support and encourages economic development in Pakistan.

BIC Steering Committee

- BIC will be supervised by BIC Steering Committee which consists of the following:
 - Rector - Chair
 - Industrial Representative - Co-Chair
 - Pro-Rector (RIC) - Member
 - Director ORIC - Member
 - Director Technology Development - Member
 - 2 to 3 Representative of Industry - Member
 - Representative of HEC - Member
 - Manager BICs (All CUs) - Member/Convener
- The BIC Steering Committee shall be governed by the following Terms of References:
 - The Steering Committee will be the governing body for the BIC and will provide strategic leadership and governance oversight. The Steering Committee will provide dedicated advice for decisions and actions to be taken in accordance with the objectives, approach and scope of BIC.
 - BIC Steering Committee will continuously review the performance of BIC in line with the devised HEC KPIs and guide the BIC leadership by providing effective oversight and evaluations.
 - The Steering Committee will:
 - i. Devise and approve the 5-year strategic plan for the BIC and ensure its proper compliance.
 - ii. Review and approve the recommendations for implementation of initiatives for better achievement of BIC objectives from BIC leadership.
 - iii. Review periodic monitoring reports on the basis of KPIs and advise the BIC leadership accordingly.
 - iv. Provide policy guidance to BIC leadership.
 - v. Ensure that BICs activities and initiatives are coordinated with other relevant stakeholders, inside or outside BU.
 - vi. Bridge the gap between academia and industry and provide crucial advice on matters to promote university-industry linkages and commercialization.
 - vii. Any other matter relevant to the better functioning of the BIC.
 - viii. Meet on biannual basis.
- It will be ensured that BIC Steering Committee members have expertise in dealing with roles and responsibilities associated with the better performance of BIC and will clearly state their Conflict of Interest in any matter impairing the proper functioning of BIC.
- Manager BIC will process the draft notification in respect of BIC Steering Committee duly incorporating the nominations of industrial representatives for issuance of official notification by the office of Registrar-BU through Director ORIC and Pro-Rector (RIC).

BIC Strategic Plan (5-Year)

BIC is dedicated to nurturing innovative startups and fostering an entrepreneurial spirit among students, faculty, and alumni. This strategic plan outlines our commitment to providing a robust support system through various initiatives, guided by measurable Key Performance Indicators (KPIs) that reflect our objectives.

Key Performance Indicators (KPIs)

a. Incubation Capacity

Total Physical Slots for Startups: BIC will offer a designated number of physical slots to accommodate startups seeking in-person incubation.

Total Virtual Slots for Startups: BIC will also provide virtual incubation slots, ensuring accessibility for remote participants.

b. Competitions and Events

Startup Business Plan/Pitching Competition: BIC will host an annual competition to showcase innovative ideas, supplemented by bootcamps to prepare participants.

Number of Startup Ideas Applied: BIC aims to increase the number of applications for our pitching competition, fostering creativity and engagement.

Investor Connect Events: Regular networking events will be organized to connect startups with potential investors, enhancing funding opportunities.

c. Mentorship

BU Faculty Mentorship: BIC will facilitate mentorship sessions led by BU faculty, enriching startups with academic insights and guidance.

Corporate and Professional Mentorship: Partnerships with corporate and industry professionals will provide valuable mentorship and resources to our startups.

d. Startup Development

Faculty Startups Incubated: BIC will track the number of faculty-led startups incubated within the BIC.

Spin-Off Startups: BIC will focus on fostering faculty startups that evolve into successful spin-offs.

Average Revenue of Faculty Startups: Monitoring the average revenue generated by faculty startups will assess their economic impact.

Jobs Created and Retained: BIC will measure the number of jobs created and retained by faculty startups over two years.

e. Student and Alumni Engagement

Student and Alumni Startups: BIC will promote startup initiatives among students and alumni, encouraging entrepreneurial ventures.

Revenue from Student/Alumni Startups: Tracking the revenue generated by these startups will reflect their market success.

Internship and Employment Opportunities: BIC aim to increase the number of students placed in startups as interns or employees.

f. Funding and Financial Support

Funding Secured for Startups: BIC will actively seek funding for faculty, student, and alumni startups, including grants and investment.

Amount of Grant Funds Raised: BIC will track the total grant funds raised to support startup development.

Venture Capital and Seed Funding: Securing venture capital, angel investments, and seed funding will be a priority, along with ensuring seed funding availability.

g. Professional Linkages

National and International Partnerships: Establishing MoUs and collaborative links with public and corporate entities will enhance startup visibility and resource access.

h. Startup Longevity

Survival Rate of Graduated Firms: BIC will monitor the survival rates of firms that graduate from the BIC to evaluate our effectiveness.

Active Graduated Startups: Tracking the number of graduated startups that remain active will help assess ongoing support and success.

IPOs and Acquisitions: BIC will document the number of startups achieving IPOs or acquisitions to measure the high-impact success of our incubation.

i. Business Development Services

Provision of Business Development Services (BDS): BIC will offer workshops and coaching in business management and planning to enhance startup capabilities.

j. Awareness and Outreach

BU Awareness Seminars: BIC will conduct seminars and roadshows to inform students, faculty, and researchers about BIC activities and opportunities.

Participation in External Workshops: Encouraging faculty and student participation in workshops by other institutions/organizations will broaden their entrepreneurial knowledge.

k. Governance and Strategy

Cohort Selection and BIC Steering Committees: Establishing these committees will ensure a structured approach to selection and strategic oversight.

Benchmark-Based Graduation Policy: A clear exit criteria for startups will guide their progression and graduation from the BIC.

Post-Incubation Support: BIC will facilitate ongoing connections through an alumni network and linkages with successful startups.

I. Continued Support

Technical and Financial Support: BU will provide ongoing technical and financial support to the BIC to ensure its sustainability.

Entrepreneurial Courses/Sessions: BIC will offer courses/sessions focused on entrepreneurship to equip students with essential skills.

Performance Monitoring for BIC

- The performance monitoring of BIC will be undertaken in purview of BIC 5 Year Strategic Plan. Manager BIC will present the progress on the status of performance of BIC on Bi-annual basis before BIC Steering Committee
- Manager BIC shall also forward the progress on BIC Strategic Plan to Director SMP on Biannual basis for needful updation and onward reporting in different BU forums.
- Periodic Assessment will also be carried out by BIC and vary depending on the stage of incubation the company is in. The incubate startup company has to submit a yearly audited statement of profit and loss account and unaudited quarterly statement about the activities. And pre-incubated startup has to submit quarterly performance review report. However, incubate may be asked to provide more frequent updates to BIC.
- Some representative criteria for evaluation are as follows:
 - a. Ideation / Innovation stage**
 - Background of entrepreneurs/ team
 - Concept development / Opportunity spotting
 - Product Development
 - Market assessment / Competition analysis
 - First level Business Planning / Business Modelling
 - Intellectual Property Protection
 - Seed Funding
 - b. Pre-Market Stage**
 - Proof of Concept/ Prototyping
 - Product Development and enhancement
 - Financial Health
 - Test marketing
 - Full scale business planning including production, sales and sourcing.
 - c. Implementation Stage**
 - Full scale Business Planning
 - Pitching for Venture Funding
 - Scaling up operations
 - Large scale commercialization
 - Team Formation
 - d. Exit Stage**
 - Going National / Global
 - Exit options for BIC.
 - Full scale business Graduation
 - Post incubation Survival

Incubate Selection Committee

- The Incubate Selection Committee include:
 - a. Director ORIC
 - b. Director Technology Development
 - c. Manager BIC
 - d. Two Faculty Member from Relevant Area
 - e. HEC Representative
- Potential incubate will be evaluated by the BIC selection committee based on its strengths and weaknesses. The major parameters which will be considered by the Incubate selection committee for the right incubate will be:
 - a. **Personal Profile (Weightage: 30%)**
 - i. Education/Skills
 - ii. Entrepreneurial Mindset
 - iii. Confidence & Attitude
 - iv. Presentation
 - b. **Business Plan Evaluation (Weightage: 70%)**
 - i. Innovation
 - ii. Marketing
 - iii. Socio-Economic Impact
 - iv. Commercial Viability
 - v. Scalability

Incubate Selection Procedure

The incubate selection is a critical activity. BIC will exercise extreme caution in inducting the right incubates based on its established criteria, resources and availability of services necessary for efficient and successful accomplishment of establishing sustainable businesses. There will be two selection procedures:

- a. Through Business Plan Competition (BPC) (top ten winners of the BPC will be incubated)
- b. Through routine incubate selection procedure, i.e., advertising Call for Proposals, Conducting Pitching Event, Conducting Selection Committee Meeting, Final Selection, Starting Incubation Process.

Graduation/Exit Criteria from BIC

The incubate company will be graduated out of the incubator once it meets the following criteria:

- a. Incubate has successfully completed / followed the syllabi set by the BIC as graduation criteria.
- b. Incubate has spent 12 months at the incubator and the project hasn't completed yet. An additional 3-6 months could be given by BIC management if they feel that the idea can be completed by then, based upon the deliverables.
- c. Incubate has successfully achieved the business targets and objectives or developed the prototype and has found an investor or Venture Capitalist to either buy it or take it to the production stage.
- d. Upon achieving the abovementioned milestone, the incubate incubated in Business Incubation Program (BIP) may be considered for induction in Business Accelerator

Program (subject to space availability). However, the incubate incubated in Business Accelerator Program will be graduated.

- e. Raising substantial investment from angel investor / Venture Capital Fund / any other investor– Rs. 1 million or more.
- f. If incubate fails to meet the quarterly targets twice in a calendar year.
- g. Irresolvable disputes between promoters/ founders. BIC will decide the position or point when disputes are deemed to be irresolvable.
- h. When the company enters in an acquisition, merger or amalgamation deal or reorganization deal resulting substantially a change in the profile of the company, its promoters, directors, shareholders, products, or plans, or when a company plans for a public issue.
- i. Change in promoters'/ founders' team without concurrence of BIC.
- j. If the BIC Steering committee decides that the idea/project is no longer viable.
- k. If incubate violates the tenancy agreement.

Post Incubation Guidelines

The BIC will maintain a two-way relationship with its graduated startups. This will include but not limited to:

- a. Providing support in business management and mentoring to graduated startups for initial two nascent years of live environment, including facilitation and guidance regarding firm registration, registration with tax regulatory bodies, marketing, business development, HR, etc.
- b. Periodically meeting with the startups to ascertain the diverse needs and challenges to be addressed by the BIC through its incubation program.
- c. The graduated startups and companies may also provide internship / employment opportunities for BIC incubates / fresh graduates.
- d. Involve and disseminate venture-capital / seed-funding / angle investment opportunities for the graduated companies and actively assist them in raising of funding resources.
- e. Establishment of network of graduated startups and organizing periodical meetings with existing incubates for their grooming and mentoring thus creating a dynamic environment through which all stakeholders can benefit.

PROGRAM OFFERED BY BUSINESS INCUBATION CENTER

Overview

BIC provides startups with unprecedented access to custom-built programs, networking opportunities, and leading industry mentors from some of the world's most innovative companies.

BIC incubation process covers an entrepreneur's journey in following *Four Stages*. In addition to the four stages, accelerate stage is added for companies that have a potential of fast growth, helping them raise capital and put them on track for rapid growth. All the programs of BIC will be evaluated as per Performance Monitoring Parameters of BIC.

► **Pre-Incubate**

Pre-Incubation stage mainly focuses on ideation stage. During this period, the entrepreneur assesses and validates early assumptions, engages customers early on and gets ready for Minimum Viable Product (MVP). Entrepreneurs in the pre-incubation process get specific training and mentoring to understand whether their ideas are viable, commercialize, and scalable.

► **Incubate**

Incubation stage includes everything from the creation of the company to the stabilization of its business model. Entrepreneurs develop a minimum viable product and set up their companies at the incubation stage. At this stage, the technical support that entrepreneurs need is provided by us. After the product is developed, the commercialization of the product begins. The startups graft product development and prepare themselves for marketing. The core team is committed with balanced skills, shared vision and values and have an initial product or service in place.

► **Post Incubate**

This stage is related to the activities that will be carried out when they have completed their incubation and have reached a feasible phase to run their businesses independently. Startups start generating revenue and are ready for fast growth (Acceleration stage) The business focuses on KPI based measurable growth and grows fast. In this stage, the businesses are considered to have attracted funding and are expected to continue.

► **Accelerate**

In this process, the product is created, and the commercialization process begins but startups have difficulties in gaining market share and globalization. These problems can be solved with the help of acceleration programs during this phase to grow the startup as fast as possible. The focus of the accelerator stage is on rapid growth and to sort out all organizational, operational, financial and strategic difficulties of the business. BIC's curriculum offers a process of intense, rapid, and immersive education aimed at accelerating the life cycle of young innovative companies, compressing years' worth of learning into just a few months. At this stage, the entrepreneur is ready with a marketable product that can primarily drive the market and can pitch before an investor/Venture Capitalists.

INDUSTRIAL LIAISON OFFICE RENT AGREEMENT

This Commercial Lease Agreement ("Lease") is made and effective _____, by and between **Business Incubation Center [BIC] Bahria University** and _____ ("Tenant").

Bahria University is the owner of Business Incubation Center and improvements commonly as BIC.

Bahria University makes available for lease a portion of the Business Incubation Center designated as **Industrial Liaison Office [ILO] NO. _____, Second Floor, BIC Building** (the "Leased Premises").

Bahria University desires to lease the Leased Premises to Tenant, and Tenant desires to lease the Leased Premises from Bahria University for the term, at the rental and upon the covenants, conditions and provisions herein set forth.

THEREFORE, in consideration of the mutual promises herein, contained and other good and valuable consideration, it is agreed:

1. TERM

- A. Bahria University hereby leases the Leased Premises to Tenant, and Tenant hereby leases the same from Bahria University, for an "Initial Term" beginning _____ and ending _____. If Bahria University is unable to timely provide the Leased Premises, rent shall abate for the period of delay. Tenant shall make no other claim against Bahria University for any such delay.
- B. Tenant may renew the Lease for one extended term of _____. Tenant shall exercise such renewal option, if at all, by giving written notice to Bahria University not less than ninety (90) days prior to the expiration of the Initial Term. The renewal term shall be at the rental set forth below and otherwise upon the same covenants, conditions and provisions as provided in this Lease.

2. RENTAL

- A. Tenant shall pay to Bahria University during the Initial Term rental of **Rs. _____ per year**, payable in installments of **Rs. _____ per month**. Each installment payment shall be due in advance on the first day of each calendar month during the lease term to Bahria University at **Bank Alfalah Islamic A/C No. 5627-5001263016 titled BAHRIA UNI ISLB CAMP-BAH INNO CENAC** or at such other place designated by written notice from Bahria University or Tenant.
- B. The rental payment amount for any partial calendar months included in the lease term shall be prorated on daily basis. Tenant shall also pay to Bahria University a "Security Deposit" in the amount of **Rs. _____**.
- C. The rental for any renewal lease term, if created as permitted under this Lease, will be as per Bahria University (BU) policy in vogue.

3. USE

Notwithstanding the forgoing, Tenant shall not use the Leased Premises for the purposes of storing, manufacturing or selling any explosives, flammables or other inherently dangerous substance, chemical, thing or device.

4. SUBLEASE AND ASSIGNMENT

Tenant shall have the right without Bahria University's consent, to assign this Lease to a corporation with which Tenant may merge or consolidate, to any subsidiary of Tenant, to any corporation under common control with Tenant, or to a purchaser of substantially all of Tenant's assets. Except as set forth above, Tenant shall not sublease all or any part of the Leased Premises or assign this Lease in whole or in part without Bahria University's consent, such consent not to be unreasonably withheld or delayed.

5. REPAIRS

During the Lease term, Tenant shall make, at Tenant's expense, all necessary repairs to the Leased Premises. Repairs shall include such items as routine repairs of floors, walls, ceilings, and other parts of the Leased Premises damaged or worn through normal occupancy, except for major mechanical systems or the roof, subject to the obligations of the parties otherwise set forth in this Lease.

6. ALTERATIONS AND IMPROVEMENTS

Tenant, at Tenant's expense, shall have the right following Bahria University's consent to remodel, redecorate, and make additions, improvements and replacements of and to all or any part of the Leased Premises from time to time as Tenant may deem desirable, provided the same are made in a workmanlike manner and utilizing good quality materials.

7. SIGNS

Following Bahria University's consent, Tenant shall have the right to place on the Leased Premises, at locations selected by Tenant, any signs which are permitted by applicable zoning ordinances and private restrictions. Bahria University may refuse consent to any proposed signage that is in Bahria University's opinion too large, deceptive, unattractive or otherwise inconsistent with or inappropriate to the Leased Premises or use of any other tenant. Bahria University shall assist and cooperate with Tenant in obtaining any necessary permission from governmental authorities or adjoining owners and occupants for Tenant to place or construct the foregoing signs. Tenant shall repair all damage to the Leased Premises resulting from the removal of signs installed by Tenant.

8. ENTRY

Bahria University shall have the right to enter upon the Leased Premises at reasonable hours to inspect the same, provided Bahria University shall not thereby unreasonably interfere with Tenant's business on the Leased Premises.

9. DAMAGE AND DESTRUCTION

If the Leased Premises or any part thereof or any appurtenance thereto is so damaged by fire, casualty or structural defects that the same cannot be used for Tenant's purposes, then Tenant shall have the right within ninety (90) days following damage to elect by notice to Bahria University to terminate this Lease as of the date of such damage. In the event of minor damage to any part of the Leased Premises, and if such damage does not render the Leased Premises unusable for Tenant's purposes, Bahria University shall promptly repair such damage at the cost of the Bahria

University. In making the repairs called for in this paragraph, Bahria University shall not be liable for any delays resulting from strikes, governmental restrictions, inability to obtain necessary materials or labor or other matters which are beyond the reasonable control of Bahria University. Tenant shall be relieved from paying rent and other charges during any portion of the Lease term that the Leased Premises are inoperable or unfit for occupancy, or use, in whole or in part, for Tenant's purposes. Rentals and other charges paid in advance for any such periods shall be credited on the next ensuing payments, if any, but if no further payments are to be made, any such advance payments shall be refunded to Tenant. The provisions of this paragraph extend not only to the matters aforesaid, but also to any occurrence which is beyond Tenant's reasonable control, and which renders the Leased Premises, or any appurtenance thereto, inoperable or unfit for occupancy or use, in whole or in part, for Tenant's purposes.

10. DEFAULT

If default shall at any time be made by Tenant in the payment of rent when due to Bahria University as herein provided, and if said default shall continue for fifteen (15) days after written notice thereof shall have been given to Tenant by Bahria University, or if default shall be made in any of the other covenants or conditions to be kept, observed and performed by Tenant, and such default shall continue for thirty (30) days after notice thereof in writing to Tenant by Bahria University without correction thereof then having been commenced and thereafter diligently prosecuted, Bahria University may declare the term of this Lease ended and terminated by giving Tenant written notice of such intention, and if possession of the Leased Premises is not surrendered, Bahria University may re-enter said premises. Bahria University shall have, in addition to the remedy above provided, any other right or remedy available to Bahria University on account of any Tenant default, either in law or equity. Bahria University shall use reasonable efforts to mitigate its damages.

11. COMPLIANCE WITH LAW

Tenant shall comply with all laws, orders, ordinances and other public requirements now or hereafter pertaining to Tenant's use of the Leased Premises. Bahria University shall comply with all laws, orders, ordinances and other public requirements now or hereafter affecting the Leased Premises.

12. GOVERNING LAW

This Agreement shall be governed, construed and interpreted by, through and under the Laws of the Government of Pakistan

13. SECURITY AND ADVANCE

Tenant has to pay refundable security charges/advance equivalent to space charges per month upon induction. The security advance shall be refundable upon submission of BIC, BU Clearance form. This advance shall be adjusted against in case of loss of BIC ID card, Locker's key, and any Damage (depending upon the cost of damage) committed by any member of a startup in BIC. If any member of any startup, lost his/her BIC card (entry pass), Report must be registered at nearest police station and copy of the application must be submitted to BIC office.

14. LATE PAYMENT FINE

Late payment fine shall be charged after due date [8th of every month] of monthly charges. Rs. 200/ Per day fine shall be levied after due date till 15th of Each month. Full rental as fine will be levied after Second date (15th of every month) shall be charged.

15. CLEARANCE

1. Preamble

1.1 Bahria University (BU) is delighted to announce its prestigious BU Silver Jubilee Rector's Honour Fellowship Program for PhD Students, designed to support exceptional prospective PhD candidates. This fellowship enables scholars to focus entirely on research pursuits without financial worries. BU encourages highly motivated individuals to apply and be a part of the dynamic research community at BU.

2. Purpose

2.1 The fellowship program is designed to enhance BU's academic and research standing in the QS and THE international rankings, while also promoting national interests through support of PhD scholars.

3. Applicability of the Policy

3.1 This policy applies to all national and international candidates holding an MS/MPhil/equivalent degree from an HEC-recognized HEI/university in specific fields defined by the BU.

Introduction

3.2 This is a full-time regular PhD program. The scholar will receive a monthly stipend of PKR 100,000 for a scholarship period of three years from the date of enrollment. The scholarship period is extendable up to four years. Additionally, the candidate will be required to teach courses or labs totaling 6 contact hours per week during regular semesters as part of the regular workload. The fellowship also includes a full fee waiver for the duration of the scholarship period.

3.3 All awardees will serve as graduate research assistants (TORs attached at Annex-A) under designated supervisors. Monthly stipends will be disbursed contingent upon maintaining a regular attendance of 40 hours per week from Monday to Friday. Awardees are not allowed to be employed in any other institution/organization during the scholarship period. Those who are already employed in other institutions/organizations, must seek study leave for the scholarship period and present NOC from the parent institution/organization. The tuition fee waiver and monthly stipend will cease after the scholarship period (i.e. four years). Thereafter the scholar will pay the fees in accordance with the BU PhD Rules 2023 in vogue. However, if the scholar is unable to complete the PhD degree within five years from the date of enrollment, BU reserves the right to recover the complete expenses from the scholar, except force majeure conditions.

Eligibility Criteria for Admission

3.4 MS/MPhil/Equivalent degree as described in HEC GEP 2023/BU PhD Rules 2023 with a CGPA of 3.5/4.0 (OR an equivalent 70% marks in annual system), from an HEC recognized HEI/university. If the CGPA is not mentioned on the transcript, the candidate must provide equivalent weightage from the parent university.

3.5 HEC attestation is mandatory for candidates with degrees from local universities.

3.6 HEC equivalency certificate is mandatory for the candidates with degrees from international universities.

3.7 The test equivalent to GRE/HAT/GAT General developed at BU with a passing score of 60%. OR

The test equivalent to GRE/HAT/GAT General conducted by testing bodies accredited by HEC with a passing score of 60%.

3.8 In addition, BU may conduct a subject test for admission to PhD programs, if required.

3.9 The candidates have preferably published at least one W-category journal paper (X-category for Social Sciences), according to the HEC HJRS system, as the first author based on their MS/MPhil/Equivalent research thesis.

Admission Committee

3.10 The admission committee will be chaired by the respective Deans.

3.11 The admission committee, in consultation with the Dir QA, will determine the prospective areas for the fellowship, based on fields of national interest and needs.

3.12 The admission committee will evaluate PhD candidates based on eligibility criteria and their potential to conduct research at par with excellence. Preference will be given to schools/departments based on their annual research outcomes, particularly the funded projects.

Award Committee

3.13 Following evaluations by the admission committees chaired by the respective Deans, an award committee chaired by the Pro Rector (RIC) and comprising of members including Dir QA, Dir PGP, Dir Academics, Dir ORIC, Dir Admissions and concerned Deans will conduct the final evaluations and recommend candidates for the award of BU fellowships for Rector's approval.

BU Silver Jubilee Rector's Honour Fellowship Program for PhD Students - Timeline

3.14 To complete a PhD within a three-year timeframe, the scholar must achieve several sequential milestones. Firstly, during the initial two semesters encompassing the Fall (September-January) and Spring (February-May) semesters, the scholar is expected to complete all the required coursework of 18 credit hours. Following this, the scholar will undertake a comprehensive examination (1st chance), to be scheduled within one month after the successful completion of the coursework with a CGPA ≥ 3.0 . Upon successful passing of the comprehensive exam (passing marks $\geq 60\%$), the scholar will proceed to defend the proposal (1st chance) within a period of two months from comprehensive exam.

Upon successful defense of the proposal, the scholar will commence the research phase of the PhD program. Subsequently, during the third year of study, the scholar will undergo pre-external evaluation thesis review & defence, external evaluation (EE), and ultimately, the final thesis defense (FTD). These sequential steps are designed to ensure timely progression and successful completion of the PhD program within the designated three- year timeframe. The tabulated representation in Table 1 below provides a succinct overview of the chronological sequence of milestones required for the completion of the PhD within the stipulated three-year period. All thresholds of the milestones of the scholar must adhere to the HEC GEP 2023 and BU PhD Rules 2023.

Table 1

3.15 If a scholar is unable to complete the PhD within the three-year scholarship period, the scholar may be granted a one-year scholarship extension by the Rector upon recommendation from the FRC. In this case the scholar

- i. may extend the coursework to another semester with the permission of the FRC.
- ii. may avail the 2nd chance of the comprehensive exam within one month from the conduct of the 1st chance with the permission of the FRC. (in case of failure in the 1st chance)
- iii. may avail the 2nd chance of proposal defense within two months from the conduct of the 1st chance with the permission of the FRC. (in case of failure in the 1st chance)
- iv. must pass the coursework, comprehensive exam and proposal defense within a maximum time of two years from the date of enrollment in the PhD program.

3.16 BU reserves the right to terminate the scholarship and fee waiver if the scholar fails to meet the following requirements: the continuation will be based on recommendations by the FRC.

- i. Completion of coursework within the first two regular semesters.
- ii. Failing the comprehensive exam in the 1st chance as per the Timeline in Table 1.
- iii. Failing of the proposal defense in the 1st chance as per the Timeline in Table 1.
- iv. Non-completion of the research phase as per the Timeline in Table 1.

3.17 Furthermore, the scholar will be evaluated through quarterly progress reports once the scholar has passed the comprehensive exam.

3.18 The scholar's candidacy will be cancelled according to the prevailing BU PhD Rules 2023, if the scholar fails to meet the following criteria: complete the coursework with a CGPA > 3.0, fail the comprehensive exam twice, fail the proposal defense twice, fail in pre-external evaluation thesis review & defence thrice, fail in external evaluation (EE) by two evaluators, fail in final thesis defence (FTD) thrice or three unsatisfactory quarterly progress reports. The termination will be based on the recommendations of the FRC and will be approved by the HERC/Rector. The process outlined in BU PhD Rules 2023 will be followed.

BU Silver Jubilee Rector's Honour Fellowship Program for PhD Students - Graduation Requirements

3.19 The scholar must successfully complete the coursework with a CGPA ≥ 3.0 and the comprehensive exam with a minimum score $\geq 60\%$.

3.20 The scholar must complete the PhD degree with one W-category journal paper or two X-category journal papers in Sciences (one X-category journal paper or two Y-category journal papers in Social Sciences), as per the HEC HJRS system, as the first author from PhD thesis, in accordance with HEC GEP 2023. If the scholar publishes his/her research paper in the top 100 most cited journals according to google scholar, he/she will be awarded an appreciation letter from the Rector.

BU Silver Jubilee Rector's Honour Fellowship Program for PhD Students - Supervisor's Eligibility

3.21 The supervisor's relevance must be approved by the RAC in accordance with HEC GEP 2023.

3.22 The supervisor must have a proven track record of successfully supervising at least three completed MS/MPhil/Equivalent scholars and/or one PhD scholar previously.

Terms and Conditions

3.23 All other terms and conditions must adhere to the BU PhD Rules 2023. In addition, the successful candidate to sign Deed of Agreement placed at Annex B at the time of admission.

Preamble

Bahria University (BU) is pleased to announce its esteemed Incentive-Based PhD Program, tailored to reward the outstanding PhD scholars who complete the PhD degree within three years and publish one W-category journal paper or two X-category journal papers, as per HEC HJRS system, as the first author from the PhD thesis. This policy provides incentives for both scholars and supervisors alike

Purpose

The objective of this policy is to encourage scholars to complete their PhDs in a timely manner, promptly vacate occupied supervisory slots, and enhance the research output and productivity at BU.

Applicability of the Policy

This policy applies to all prospective PhD candidates or enrolled PhD students who are currently in the coursework phase of study.

Introduction

This program supports the students by providing a financial incentive. If a scholar completes the PhD degree within the regular three years from enrollment (submission of complete the PhD thesis after incorporating the evaluators'/examiners' comments for issuance of the final notification) and publishes one W-category journal paper or two X- category journal papers, as per HEC HJRS, system as the first author from the PhD thesis, he will be eligible for full tuition fee reimbursement. All other PhD requirements will adhere to BU PhD Rules 2023. Additionally, both the supervisor and scholar will receive appreciation letters from the Rector of BU, and the supervisor will receive an additional honorarium of 50,000 PKR.

BU Incentive-Based PhD Program -Timeline

To achieve PhD completion within a three-year timeframe, the scholar must fulfill several sequential milestones. Firstly, during the initial two semesters, encompassing the Fall (September-January) and Spring (February-May) semesters, the scholar is expected to complete all required coursework totaling 18 credit hours with a CCPA ≥ 3.0 . RAC Report (submitted to HERC for approval)]

RAC meeting of faculty of Law chaired by Dean Law was held on **21st February 2025** with following constitution:

- Dean: Dr Muhammad Fayaz
- Dir QA: Mr. Fazal Wahab
- External Expert 1 (Dr Aziz Rehman, Professor Law, Quaid e Azam University, Islamabad)
- External Expert 2 (Dr Asif Khan, Associate Professor Law, NUST)
- RAC Secretary (Dr Saba Jawed)
- Any Other Member (/s) (if any)

Decision:

- The First agenda of meeting is the programme Relevancy of Master in International & Maritime Laws (LLM I&ML). The Master of Laws in International and Maritime Laws (the programme) was approved in the 30th Academic Council Meeting (ACM) under Agenda 3014 on 3rd October 2017. The Higher Education Commission (HEC) approved the aforementioned programme subsequently dated: 25th September 2018. The programme is still pending for the approval through the Pakistan Bar Council (Accreditation Body). In accordance with the Graduate Education Policy 2023 (Bahria University and HEC) (Specific Reference Part III of the BU GEP 2023), the approval file (from the accreditation body) has been prepared and further submitted to the Directorate of Quality Assurance (DQA) dated: 20th February 2025. The Agenda of the Relevant Assessment Committee (RAC) Committee was regarding the assessment of the relevant PhD faculty members for supervision and teaching in the programme; and for the approval of the programme from the Accreditation Body. Given above, the following PhDs in International and Maritime Law are proposed as relevant faculty members for the assessment of the programme and further its accreditation from the Accreditation Body.

Sr. No.	Name of Faculty Member	Degree Title
1.	Dr. M Jahanzeb Butt	International and Maritime Law
2.	Dr. Saira Bashir Dar	International Maritime Law
3.	Dr. Asma Mehboob	International Law
4.	Dr. Bushra Bibi	Environment and Natural Resources Protection Law

During the discussion the decision taken that all of the members endorsed that Dr. M Jahanzeb Butt is the most relevant faculty member for the LLM I&ML program based on his PhD and LLM degrees in International and Maritime Law. Moreover, Dr M Jahanzeb Butt also holds a postdoctoral certification in International Maritime Law. Therefore, he is the most relevant member to assist in the accreditation and further development of the LLM I & ML program. It is also noted that Dr. Saira Bashir Dar, who holds a PhD Degree in International Maritime Law, is relevant for accreditation of the LLM I & ML program through the accreditation body. Dr Asma Mehboob recently obtained a PhD in International Law and holds an LLM degree from Ocean University of China, and her thesis is related to the Marine Environmental Protection Law. Therefore, Dr. Asma Mehboob is also a relevant faculty member for the accreditation of the LLM I & ML program. Dr Bushra Bibi holds an LLM degree from Ocean University of China and PhD in Environment and Natural Resources Protection Law, wherefore, both are relevant in teaching LLM I & ML. Therefore, Dr Bushra Bibi is also identified as relevant PhD faculty member

for the accreditation of the LLM I & ML programme.

The case will be forwarded for the accreditation.

- The next agenda was Relevancy of Supervisor LLM (I & ML). According to Clause 24.1 of MS/ MPhil/ Equivalent Rules 2023, the Principal Supervisor shall be a PhD Faculty member or Professional in the relevant field holding a PhD Degree. The agenda of RAC meeting is regarding the assessment of the relevancy of the following 6 PhD faculty members for the Supervision of LLM (I & ML) students:

S.No.	Name of Faculty Member	Degree Title
1.	Dr. M Jahanzeb Butt	International and Maritime Law
2.	Dr. Saira Bashir Dar	International Maritime Law
On the basis of LLM from the Relevant University and Thesis		
3.	Dr. Asma Mehboob	On the basis of LLM from Ocean University of China and Thesis on Ocean Law
4.	Dr. Bushra BiBi	On the basis of LLM from Ocean University of China and Thesis on Water Law
On the basis of Publications		
5.	Dr. Mahmood Ahmed Sheikh	On the basis of publications of Article in the field of Maritime Law
6.	Dr. Hafiz Ghulam Abbas	On the basis of publications of Article in the field of Maritime Law

The decision taken that As it is already endorsed that Dr M Jahanzeb Butt is the most relevant faculty member for teaching and further developing LLM I & ML program, along with Dr. Saira Bashir Dar, Dr Asma Mehboob and Dr Bushra Bibi, all the faculty members are also most relevant for supervisory of LLM I & ML thesis. Additionally, Dr. Mahmood Ahmed Sheikh and Dr. Hafiz Ghulam Abbas identified relevant faculty members based on their publications in Maritime Law.

- The next agenda was Potentiality of PhD Supervisor. The following PFMs of BULS meet the conditions required for potential PhD supervisors:

S.No.	Name of Faculty Member	Year of Passing	Publication of Article in 'W' Category within last 3 Years	Publication of Article in 'X' Category within the last 5 years after PhD	Publication of Article in 'Y' Category within the last 5 years after PhD
1.	Dr. Farkhanda Zia	2007	1	3	-
2.	Dr. Ilyas Khan	2016	-	3	23
3.	Dr. Mahmood Sheikh	2016	1	1	5
4.	Dr. Ghulam Abbas	2019	-	2	13
5.	Dr. Ifzal Mehmood	2021	-	1	10
6.	Dr. Sadaqut Ali	2021	-	1	6
7.	Dr. Jahanzeb Butt	2022	5	3	2
